RE: Application Completeness Determination
Permit Number: V95-007

Dear Mr. Irvin:

The Maricopa County Air Quality Department (MCAQD) has reviewed your permit significant revision application for the Ocotillo Power Plant modernization project, initially submitted on April 9, 2014 and most recently amended on September 25, 2015, for the following facility:

APS Ocotillo Power Plant
1500 East University Drive
Tempe, AZ 85281

Based on the information provided in your application for a permit revision, we have determined that the application is complete.

If, while processing an application that has been determined or deemed to be complete, the Control Officer determines that additional information is necessary to evaluate or to take final action on that application, the Control Officer may request such information in writing and may set a reasonable deadline for a response.

If you have any questions or comments, please contact me at (602) 506-7302.

Sincerely,

A handwritten signature in cursive script that reads "Henry Krautter".
