Dear Mr. Puplampu,

Emily Schilling and I would like to request a meeting at your earliest possible convenience to discuss the attached letters our client Harvest Four Corners, LLC (Harvest) recently received regarding its

Title V renewal applications. Harvest has worked diligently to respond to EPA's multiple requests for additional information and is therefore very concerned about EPA's letter stating that it will not re-issue the renewals.

We appreciate your attention to this matter and look forward to hearing from you shortly. Thanks.

Cynthia,

Thank you for your acknowledgement. We wanted to make EPA aware that Harvest has suspended operations at its Los Mestenios Compressor Station Facility, resulting in financial and logistical impacts not only to Harvest, but also its customers and their royalty owners, including the Jicarilla Apache Nation. Given the urgency of this matter, we would appreciate a prompt response from EPA.

Thank you.

I hope you are well. I am just checking in to see if there is anything further that EPA needs from Harvest at this juncture, and to get a sense of where EPA is in the process of reviewing Tuesday's correspondence?

Thanks and best regards,
