**Subject:** Procedural matters for EAB petition

Counsel:

After speaking briefing with Ms. Rodriguez-Pashkowski earlier, I understand you are conferring with your clients regarding the procedural matters I raised related to the Florence Copper UIC permit appeal regarding our request for electronic filing and the Region's proposed Motion for Extension of Time for Responses to the Petitions for Review in this matter. Given the unusual circumstances arising from the current transition of administrations at EPA and our desire to provide a comprehensive response to all petitions, we believe this extension is reasonable and would not prejudice petitioners.

If you are amendable to these matters and if you could reply to this email, I would greatly appreciate it. I hope to file my procedural motion as soon as possible. In addition, feel free to contact me if you would like to discuss further,
