EPA Docket No. RCRA-03-2018-0131

Dear Mr. Bagga:

As a follow-up to today's settlement conference in regards to the above-referenced matter, the U.S. Environmental Protection Agency, Region III ("EPA") acknowledges that you have raised "inability to pay" a substantial penalty as an issue and is requesting that you provide the following supporting information:

Silky Associates, LLC's 2015, 2016 and 2017 federal income tax returns that were filed with the Internal Revenue Service (IRS), together with all schedules and attachments, along with a certification by you or your accountant that the information is complete and accurate.

This information should be sent to me at your earliest convenience to:

Jennifer M. Abramson (3RC50)
U.S. EPA Region III

EPA is aware that you are acting *pro se* (i.e., are not represented by counsel) and as a courtesy reminds you that you are required by Chief Administrative Law Judge Susan Biro's August 31, 2018 Prehearing Order to file a Preliminary Statement by September 21, 2018 as well as a Prehearing Exchange by November 2, 2018. Please do not hesitate to contact me with any questions or concerns at Abramson.Jennifer@epa.gov or (215) 814-2066.

Sincerely,

Jennifer M. Abramson
