Good morning,

Attached is the U.S. Environmental Protection Agency's (EPA) Response to Public Comments submitted to EPA during the Public Comment period for the issuance of EPA Permit # PAS2D702BALL for Sedat #4A disposal injection well located in Allegheny County, Pennsylvania.

A final permit has been issued to Penneco Environmental Solutions effective October 26, 2023. The permit shall remain in effect for 10 years. The permit has been attached for your review.

The Final Permit and Response to Comments document are being posted on EPA's [website](#) for public review.

Thank you,

Ryan Hancharick
