Hi Cory - The permit was mailed to Colonel Clinton E. Crosier, Commander. I've attached the final permit, statement of basis, and cover letter so you have it all in case it takes a while to filter its way down. Please let me know if you have any questions. Thanks!

Amy,
I have returned from leave today and got your vmail of several days ago regarding the permit issuance; much appreciated.
I have found the permit & related documents on the Region 8 website.
I am wondering if you have the name of the commander to whom the hardcopy was mailed? We would like to give a heads up notice to the Space Wing office; given the time that has transpired, it is likely to not be our most recent commander. If that name isn't handy, no worries, it will come through eventually.
Thanks, Cory
