Linda –

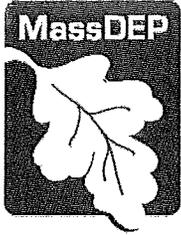

This email is to confirm I have placed the CD in the mail; it will go out first thing tomorrow.

Also, as discussed and noted in attached letter, I will plan to talk with you on Friday regarding your question about the schedule for tank dismantling.

Best regards,

Susan Ruch

Re: Public Participation -- Application and Supporting Materials submitted by Footprint
in connection with its Proposed New Gas-Fired Power Plant in Salem, MA

Dear Ms. Haley:

Enclosed please find a copy of the application and supporting materials submitted by Footprint Power Salem Harbor Development LP (Footprint Power), as requested. The documents are on a compact disc (CD), as discussed. You indicated that you would like to have the CD in hand by Tuesday of next week. Please confirm your receipt by calling or emailing me. If for any reason you do not timely receive the CD in the mail, we will make an alternate arrangement to get it to you by Tuesday.

In the meantime, I am checking with our team regarding your question about the schedule for certain tank demolition to begin. Let's plan to talk on Friday, 09/20/13, as discussed.

Best regards,

Susan P. Ruch
