Veolia ES Technical Solutions, L.L.C.

Permit No. V-IL-1716300103-2014-10

ORDER GRANTING JOINT MOTION FOR EXTENSION OF STAY

This matter is currently stayed until May 15, 2017. On May 12, 2017, Petitioner Veolia ES Technical Solutions, L.L.C. and U.S. EPA Region 5 filed a joint motion requesting an extension of the stay. The parties represent that they “are cautiously optimistic that a settlement in principle is imminent” and request an extension of the stay until May 26, 2017, “to allow the parties to confirm that a settlement in principle has in fact been reached.”

For good cause shown, the Board grants the parties’ request. This case is now stayed until **Friday, May 26, 2017**. To the extent that the parties seek a further stay of proceedings beyond May 26, the parties must file a motion requesting a further stay of proceedings no later than **Wednesday, May 24, 2017**. The motion must specify the length of, and explain the basis for, such a further stay.

So ordered.
