NPDES Appeal No. 13-09

**ORDER EXTENDING STAY OF PROCEEDINGS**

The parties in the above-captioned matter participated in the Environmental Appeals Board's Alternative Dispute Resolution Program and reached a settlement of their disputes on June 6, 2014. According to the Settlement Judge, the parties have been actively engaged in the process of effectuating their settlement agreement. They now seek additional time to complete that task, however, due to a necessary State of Washington proceeding (the state water quality certification process) that is as yet unfinished.

Based on the recommendation of the Settlement Judge, the Board hereby extends the existing stay of Board proceedings until Wednesday, December 17, 2014.

So ordered.
