San Pedro Forklift

Docket No. CWA-09-2009-0906

CWA Appeal No. 12-02

**ORDER GRANTING UNOPPOSED MOTION FOR  
EXTENSION OF TIME TO FILE SUPPLEMENTAL BRIEFING**

By motion filed September 19, 2012, Region 9 of the United States Environmental Protection Agency seeks an extension of time to file its supplemental brief in the above-captioned case, which presently is due on September 21, 2012. The Region requests a week-long extension, through September 28, 2012, to allow completion of intra-agency discussions about the brief among several EPA headquarters offices and the Region's office. The Region contacted San Pedro Forklift about this motion and reports that San Pedro does not oppose it.

For good cause shown, the motion is hereby **GRANTED**. Region 9 must file its supplemental brief on or before **Friday, September 28, 2012**, addressing the elements specified in the Environmental Appeals Board's August 17, 2012 *Order Directing Supplemental Briefing*. San Pedro Forklift remains authorized to file a reply to the Region's supplemental brief, should it desire to do so; such a reply must be filed on or before **Friday, October 12, 2012**. Absent

extenuating circumstances, the Board will deny any additional extension requests from the parties.

So ordered.
