NOTICE OF VOLUNTARY DISMISSAL

On September 23, 2005, EPA reissued a National Pollutant Discharge Elimination System Permit, No. MA0000272, to the Boston & Maine Corporation. On October 27, 2005, Connecticut River Watershed Council, Inc., and Jamison E. Colburn ("Petitioners") filed a petition for review ("Petition") with the Environmental Appeals Board contesting various aspects of the Permit and the process leading to its issuance.

The issues presented by the Petition have been resolved by a permit modification. Petitioners now hereby voluntarily dismiss their Petition, in full.
