

Before the EPA, and administrative agency with Territorial jurisdiction

In the matter of:

Petition/Request for appeal

Dave Erlanson sr.

Respondent,

Comes now Dave Erlanson sr to petition this court for appeal of docket number CWA-10-2016-⁸¹⁰⁹~~2019~~. Respondent disagrees with the decision and order handed down by the administrative judge in the matter cited above and seeks an appeal hearing. Respondent sees no reason to re-litigate the matter here in the petition for appeal and even a cursory reading of the record will show any judicially trained mind that an obvious controversy exists between the respondents legal position and the EPA's position.

This request for appeal does not foreclose any other remedies available to the respondent but only suffices to establish that the respondent is actively seeking to exhaust his administrative remedies.

A handwritten signature in blue ink that reads "Dave Erlanson". The signature is written in a cursive style with a large, looped initial "D" and a stylized "Erlanson".
