RESPONDENT.

**MOTION TO CONTINUE STAY OF THIS MATTER**

On July 28, 2011, Complainant filed a Notice of Agreement in Principle and Motion to Stay the Matter until September 29, 2011, on the grounds that both parties have reached an agreement in principle to resolve this matter without further litigation. On August 2, 2011, the Environmental Appeals Board granted Complainant's motion to stay.

Complainant respectfully requests that this matter be stayed until October 21, 2011. Complainant requests the matter be stayed to allow sufficient time for Complainant to obtain the necessary signatures from EPA Region 6 authorities to a negotiated Consent Agreement and Final Order ("CAFO"). On September 23, 2011, Respondent telephoned the undersigned to inform the same that he had signed a draft CAFO and a draft joint motion to withdraw. Respondent further informed the undersigned that he has intended to send by overnight mail the original signature page on September 26, 2011. An extension of time until October 21, 2011, will allow sufficient time to obtain the necessary signatures to the settlement agreement.

Respectfully submitted,

Edwin M. Quinones  
Attorney for Complainant  
Assistant Regional Counsel  
Region 6, 6RC-S
