Re: Joseph J. Piscazzi, Trustee, Joseph J. Piscazzi Revocable Trust
Docket Number: V-W-10-C-950
Petition Number: CERCLA 106(b) 12-03

Dear Mr. Karl:

This is to advise you that the Environmental Appeals Board received on June 4, 2012, a petition filed by Mark J. Scarpitt and Danielle A. Higgins, Attorneys, Day Ketterer Ltd. on behalf of Joseph J. Piscazzi, Trustee, Joseph J. Piscazzi Revocable Trust pursuant to CERCLA Section 106(b). The petition seeks reimbursement of costs incurred by the Petitioner.

A copy of the petition and exhibits can be found on the Board's website at www.epa.gov/eab. Click on "EAB Dockets" in the left-hand menu, and click on the "Active Dockets" link, and then click on the appropriate case name. If you have any difficulty accessing this document, please let me know.

The Board has issued a revised guidance document dated February 23, 2012, which supersedes the Board's November 10, 2004 guidance document describing the Board's procedures for addressing Section 106(b) reimbursement petitions. This revised guidance will apply to this case. The document can be found on the Board's website at <http://www.epa.gov/eab> and click on EAB Guidance Documents (left-hand menu) and click the last link CERCLA Guidance 02-23-12 FINAL.pdf. If you have difficulty accessing this document, please let me know.

Accordingly, please have your staff prepare and submit a response to the petition, as described more fully in Section IV.A of the Board's guidance. If your response challenges the petitioner's eligibility to seek reimbursement, without regard to the merits of the reimbursement claim, the response should be filed not later than July 6, 2012. If, however, your response does address the merits of the reimbursement claim, the response should be filed not later than August 6, 2012. Filing may be accomplished electronically pursuant to the Board's Order of January 28, 2010.¹ Alternatively, filing may be accomplished by filing a paper original (signed in blue ink) and two copies of these materials with the Board (at the address shown below) by the date specified above and send a copy of the response to the petitioner's attorney.

Please include with the response a certified index to the administrative record that was compiled in connection with the issuance of the underlying CERCLA Section 106(a) Order. Please also include copies of any documents that are relied on in the response and that have not already been submitted to the Board by the petitioner.

All documents including the materials due July 6, 2012 or August 6, 2012, must reference the petition number. **IMPORTANT:** In addition, any envelope or other packaging containing documents sent to the Environmental Appeals Board's mailing address or hand-delivery address, as prescribed below, must bear a complete and accurate return address in the upper left hand corner. The envelope or packaging must also clearly state the case name and appeal number in the lower left hand corner.

All documents that are sent through the U.S. Postal Service, Express Mail, hand-delivered, via Courier must include the name of the organization, address, facsimile number, telephone number, and an email address, if available.²

Such paper copy must be accompanied by a signed certification stating that it is identical to the electronically filed document. *Id.* at 5.
