NOTICE OF CORRECTED MOTION TO STAY

The Three Affiliated Tribes of North Dakota, also known as the MHA Nation, (the “Tribe”) and Goodnight Midstream Bakken, LLC (“Goodnight”) (collectively the “Parties”) hereby file this *Notice of Corrected Motion to Stay*. The original *Motion to Stay* (the “Motion”) was filed on March 22, 2019. This Notice is provided to inform the Environmental Appeals Board that the Motion is now unopposed and as a result the Motion should be granted.

The EPA confirmed, subject to certain caveats, that it would not oppose the Motion. The EPA has asked that it “be a party to your discussions”. See Attachment

A. The Parties wish to proceed with the stay in order to resolve this matter informally and without unnecessary litigation.

Without opposition the Motion to Stay should be granted. Such an action will allow the Parties, and the EPA, to reach a full resolution and save valuable governmental and private party resources.
