- ③ my actual Violation is not Done Line and Leak  
Detection not Done from 2014 to 2017. I miss that.  
and II Violation was not checked cathodic Protection  
that happened because I was thinking underground  
Tank Titring Test and Cathodic Protection Test has to  
be done every 5 years But Melissa Toffel told me  
its every 3 years so I passed that so I was late, this  
is my 2nd violation. This was my misunderstanding
- ③ Veeder from Veeder Root not getting Report for Diesel  
all other Gas and Kerosin Report came as PASS but  
Diesel say Arialbe only.  
Because I was selling Diesel  
I have to order minimum 500 Gallon and Veeder Root  
Require over 400 Gallon or more and I have in TANK  
Under 300 and Hundred Gallon. Veeder Root Program

Book clearly says how fuel will not Print the Report  
I ~~and~~ to get Report I have to order 500 Gallons Diesel as  
soon as Tank got requirement of Yeeder Root next morning  
Yeeder Root Printed Report as Leak Detect 0.02 Test is PASS  
Yeeder Root is Program from the manufacturer of Overflo  
Flowing at the Delivery of Gas and by the Code of  
1998 set by the Virginia ~~Govt~~ Government that if there

Suddenly order to install this system and that  
I have not installed and they made this Violens and  
they shut down all my tanks and there was NO

On my Request by ~~me~~ EXPLAINING my situation they  
sended to my supplier and I installed with help of  
Technician. Practically I believe this not a Violense  
I believe the Board will except (EXCEPT) my EXPLANATION  
If the Board allowed my

Settlement Paper (EMAIL) which I not-sended, ~~it~~  
and Howell Joyce said only 10% but what 10% and she  
told me that she will send Settlement to Board  
She sended in her words in her way. In that EMAIL  
I have requested for For Pardon me Forgiveness.

"Final Request to Settle this Case to End."

I have Purchase this Gas station in June 30-2005 and Overflo Code 25-580.50 Born in 1998. There was ample time to obey this Code to install Overflo instrument at the Gas station, But Previous owners From Whom I ~~purchase~~ Purchase was Pilot corporation Well known company But they ignore and Neglect this code or Va law. Practically I am a OPTICIAN do not know any A.B.C of Gas station Buisness. In last 15 year I am learning to operate this Buisness every Day. Finally I am on right track Trying to Follow all Va. Code updated up till now. and Future I will do and Follow all Code.

I am ~~not~~ not doing very well. I am not Generating enough income from this buisness. I am struggling to Pay my bills specially my Loan Mortgage

I am Trying to Settle this matter. But Howell Joyce is upset- Because I wrote Meslie Topell told me that she will not Penaltise if I do all the work and also and I ~~think~~ think she do not like my offer so she get upset and told her buisness not Generating enough money I am going to From my Social security money

Now I am on Board Judges on your Mercy. Howell ~~Joyce~~ Joyce not given what was her offer and not mine. Just given 10% my offer.

She can give ~~except~~ my offer and her offer to Board and Board decided what I can offered or Howell can give me her Final offer to Close this Case

But I Request the Board this is me in 15 Year of Buisness 1<sup>st</sup> Affair show some MERCY and FORGIVE me if not Then what ever Howell & Board ~~to~~ Decided.
