

In the Matter of:

Permittee

Air Pollution Control Title V

Permit to Operate

Permit No. V-IL-1716300103-2014-10

Docket No. U.S.EPA-R05-OAR-2014-0280

Appeal No.: CAA 17-02

It is unlikely that the Administrator or his designee will be able to determine whether or not to withhold or withdraw consent before the current end of the stay of proceedings on February 28, 2018. Therefore, Region 5 moves for a further stay of proceedings until March 22, 2018, which Region 5 expects will be enough time for the Administrator or his designee to determine whether to withdraw or withhold consent to the contingent settlement agreement. Petitioner Veolia ES Technical Solutions, L.L.C., does not object to this Motion.
