Re: Service Oil, Inc.
Docket No. CWA-08-2005-0010
Appeal No. CWA 11-01

Dear Ms. Durr:

This letter responds to your correspondence of January 7, 2011, in which you offer the parties in the above-reference matter the opportunity to participate in the Environmental Appeals Board's (EAB) alternative dispute resolution (ADR) program. EPA Region 8 contacted counsel for Service Oil regarding his interest in the ADR process and was told that Service Oil is not interested. If the EAB has heard differently from Service Oil, Region 8 is willing to participate in the ADR process.
