Subject Oral Argument for Euclid Appeal

Ms. Durr:

Gary Jonesi has informed me that you are the correct person to contact in order to attempt to reschedule the oral argument in the Euclid appeal. The Board just issued an Order setting oral argument for July 19. That date is very inconvenient for me because of prior family commitments. If possible, I would like to reschedule for a slightly later date. It may be difficult working around everyone's later summer vacation schedule (including the Board's vacation schedules), so I have contacted Euclid's counsel to come up with a number of alternate dates. Both parties are available to hold the argument on any of the following dates: July 31, Aug 1, 2 3, 7, 8 or 9. Would it be possible to reschedule the Euclid argument for any of these dates?

Thank you for your assistance on this matter.

Subject Re: Oral Argument for Euclid Appeal

Thanks, I have calendared the date. I hope that 30 minutes each is sufficient time. I suggest doubling that time.

Mr. Fields,

The Board has tentative rescheduled the Oral Argument in re Euclid for August 9, 2007, at 11:00 a.m. In the next couple of days an order will be issued confirming that date and time, which you and Euclid's counsel will receive. If you have any questions, please let me know.
