PERMIT APPLICANT'S REQUEST FOR EXTENSION OF TIME

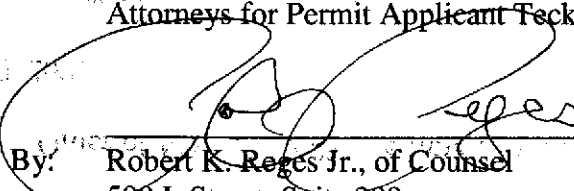

Permit Applicant Teck Cominco, a Responder in the above-captioned consolidated actions, hereby joins the U.S. Environmental Protection Agency in seeking an extension of time to file the Responses in this matter. This would be the second extension. The additional time is needed because of the complexity and numerosity of the issues.

Pursuant to this Board's Order of May 23, 2007, the time currently established for filing Responses is Monday, July 30, 2007.

Teck Cominco respectfully requests an extension of that time to Friday, September 28, 2007 or for such time as is granted U.S.E.P.A.

RESPECTFULLY REQUESTED this 16th day of July, 2007.
