Appeal No. UIC 18-02

Ms. Durr,

This letter is in follow-up to EPA's April 23, 2018 letter indicating the interest of the parties to engage in alternative dispute resolution ("ADR"). On April 30, 2018, EPA was informed by counsel for the Borough of Plum that following further consultations with their client, the Borough no longer wanted to participate in the ADR process made available by the Environmental Appeals Board.

Respectfully,
