NPDES Appeal No. 05-15

**ORDER DISMISSING PETITION**

In a Joint Status Report and Motion dated November 14, 2007, Wausau Paper Printing & Writing, LLC, the Petitioner in the above-referenced matter,<sup>1</sup> moves to dismiss its Petition for Review filed with the Environmental Appeals Board under the provisions of 40 C.F.R. Part 124. In the status report the parties, Petitioner and U.S. EPA Region 1, represent that the Region issued a final NPDES permit modification that revised the challenged permit conditions, and renders moot the above-referenced petition.

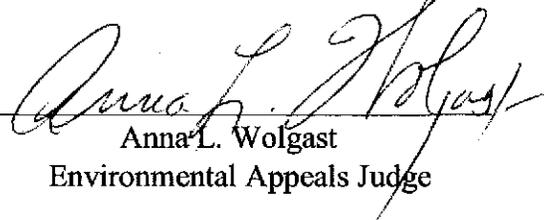

---

<sup>1</sup> Wausau Papers of New Hampshire, Inc., is the original permittee and petitioner of record in this case. In a motion dated November 20, 2007, Wausau Paper Printing & Writing, LLC, explained that on January 1, 2007, Wausau Papers of New Hampshire, Inc., changed its corporate name to Wausau Paper Printing & Writing, LLC, and requested that its name be substituted for that of the original petitioner in this case. See Motion to Substitute Petitioner of Record (Nov. 20, 2007). Based on this representation the Board hereby grants the request to substitute the petitioner of record; for convenience, however, the Board retains the original caption in this case.

For good cause shown, Petitioner's request to dismiss NPDES Appeal No. 05-15 is granted. The Board hereby dismisses the appeal in its entirety with prejudice.

So ordered.
