Re: Easley Combined Utilities  
Permit Number: SC0039853  
Appeal Number: NPDES 07-17

Dear Ms. Wilkes:

Enclosed is a petition dated September 10, 2007 (received by the Environmental Appeals Board September 11, 2007) filed by Richard H. Sedgley, Attorney, AquaLaw Water and Wastewater Solutions on behalf of Easley Combined Utilities, asking the Environmental Appeals Board to review a permit modified by the United States Environmental Protection Agency, Region IV in this case.

To assist the Environmental Appeals Board in deciding whether the matters raised by petitioner should be reviewed, please have your staff prepare a response that addresses the petitioner's contentions and whether petitioner has satisfied the requirements for obtaining review under 40 C.F.R. §124.19(a). Include relevant portions of the administrative record with the response, together with a certified index of the entire administrative record. Please file an original (signed in blue ink) and five copies of these materials no later than October 30, 2007, and send a copy of the response and the certified index to petitioner with a certificate of service showing the date and method of service.<sup>1</sup>

All documents, including the materials due October 30, 2007, must reference the appeal number. **IMPORTANT**: In addition, any envelope or other packaging containing documents

<sup>1</sup>The Environmental Appeals Board has an innovative system that allows parties to submit copies of documents, including exhibits, electronically in PDF. Instructions on registration and document submission, are available by using the "Electronic Submission" link on the Board's website. Please note that, at the present time, electronic submissions will not be considered a substitute for filing an original document with the Clerk of the Board. The Clerk of the Board still must actually receive the original document by the document's due date in order for it to be timely filed. However, Agency offices and private parties that use this system for submitting electronic copies will be excused from the requirement to submit multiple paper copies with their original filing.

sent to the Environmental Appeals Board's mailing address or hand-delivery address, as prescribed below, must bear a complete and accurate return address in the upper left hand corner. The envelope or packaging must also clearly state the case name and appeal number in the lower left hand corner.

<sup>2</sup>The Environmental Protection Agency is experiencing delays in delivery of mail from the U.S. Postal Service. These delays are due to a new sterilization procedure applied to all U.S. Postal Service mail delivered to the federal government. Parties are encouraged to utilize non-U.S. Postal Service carriers and the Board's hand-delivery address when filing time-sensitive pleadings with the Board. Additional information regarding mail delivery to the Board is available on the Environmental Appeals Board website ([www.epa.gov/eab](http://www.epa.gov/eab)) at the Clerk of the Board or Frequently Asked Questions.

holidays).

A copy of this letter is being sent to the petitioner as notification of these filing requirements.

Thank you for your attention to these matters.

Sincerely,
