JOINT MOTION FOR EXTENSION

Permittee Harvest Four Corners, LLC (“Harvest”) and Region 6 of the United States Environmental Protection Agency (“USEPA”), by and through their undersigned attorneys, respectfully move the Environmental Appeals Board (“EAB”), for an order granting a two-week extension of the briefing schedule in this matter. In support of their motion for an extension, the parties state the following:

1. Since the filing of the Petition for Review on October 11, 2022, the parties have begun discussions to amicably resolve this matter and avoid further litigation. The parties believe that the discussions have been fruitful and may lead to informal resolution of this matter.

2. The parties further believe that a two-week extension of the remaining deadlines for briefing in this matter will facilitate the ongoing discussions by allowing counsel to focus on negotiating a resolution rather than investing time in the preparation of briefs that may not need to be filed.

WHEREFORE, the parties respectfully request the EAB grant this Motion and extend the deadlines for remaining briefs by two weeks.

Respectfully Submitted,
