ENVIRONMENTAL APPEALS BOARD

MAY 26 2010

Mark E. Johnson
Stinson Morrison Hecker, LLP
1201 Walnut Street, Suite 2900
Kansas City, MO 64106-2150

Re: Titan Tire Corporation and Dico, Inc.
Docket Number: CERCLA-07-2009-0006
Appeal Number: CERCLA 106(b) 10-01

Dear Mr. Johnson:

The Environmental Appeals Board ("Board") has initiated a pilot alternative dispute resolution ("ADR") program to assist parties in resolving disputes before the Board. Participation is completely voluntary. Please refer to the enclosed Pilot Alternative Dispute Resolution Program Information Sheet for more information on the Board's pilot ADR program.

If you would like to participate in the Board's ADR program, you must notify the Clerk of the Board no later than June 9, 2010. Because ADR will not take place absent approval from all parties, the Board encourages consultation with opposing counsel or representative prior to notifying the Board. A joint notification of the parties' interest in participating in this program is preferred. As stated in the enclosed information sheet, if all parties agree to participate in the Board's ADR pilot program, the matter will be stayed for a limited time and the parties will be required to submit brief written summaries of the disputed issues. In limited circumstances, the Board may determine that use of the ADR pilot program is not appropriate.

If the Board does not receive a request to participate in ADR from both parties, either jointly or individually, by June 9, 2010, the matter will remain on the EAB's docket for resolution. You may inform the Clerk of your interest either through the Board's electronic filing

system,¹ by facsimile at (202) 233-0121, or by letter filed with the Clerk of the Board by the deadline.

Please note that this letter does not extend any existing deadlines for submissions to the Board.

Sincerely,

Eurika Durr
Clerk of the Board

Enclosure
