Re: Final Outer Continental Shelf (OCS) Air Permit issued to Cape Wind Associates, LLC
Cape Wind Offshore Renewable Wind Energy Project
EPA Final Permit Number OCS-R1-01

Dear Mr. Olmsted:

Enclosed is EPA's final OCS air permit for the Cape Wind Offshore Renewable Wind Energy Project located on Horseshoe Shoals in Nantucket Sound. EPA issued the final permit pursuant to Section 328 of the Clean Air Act and 40 Code of Federal Regulations (CFR) Part 55. Also enclosed is a copy of EPA's response to the comments received on the draft permit and information regarding appeals and stays of the OCS permit. In addition, you may obtain electronic copies of the final OCS air permit, fact sheet, application and other supporting documents on EPA's web site at <http://www.epa.gov/NE/communities/nsemissions.html>.

Should you desire to contest any provision of the permit, your petition should be submitted to the Environmental Appeals Board as outlined in the enclosure.

Should you have any questions concerning the permit, please call Brendan McCahill at (617) 918-1652.

Sincerely,

A handwritten signature in cursive script that reads "Ida E. McDonnell".

Ida E. McDonnell, Manager
Air Permits, Toxics, and Indoor Programs Unit
