) Docket No. TSCA-HQ-2017-5001

FINAL ORDER

On February 13, 2017, the U.S. Environmental Protection Agency's (EPA's) Office of Civil Enforcement, Waste and Chemical Enforcement Division, filed a complaint against Tri-iso TryLine, LLC f/k/a The TryLine Group, LLC ("Tri-iso"), alleging that Tri-iso had violated the chemical data reporting requirements of section 8(a) of the Toxic Substances Control Act, 15 U.S.C. § 2607(a). The Complaint sought a penalty of \$163,744.

EPA's Consolidated Rules of Practice, codified at 40 C.F.R. part 22, govern this administrative enforcement proceeding. Pursuant to 40 C.F.R. § 22.18(a), a respondent may opt for a quick resolution of an enforcement proceeding at any time by paying the penalty proposed in the complaint. *See* 40 C.F.R. §§ 22.18(a)(1) and (2). The rules further provide that upon payment in full of the penalty, in cases initiated at EPA Headquarters, the Environmental Appeals Board ("Board") must issue a final order. 40 C.F.R. § 22.18(a)(3).

On March 21, 2017, EPA's Office of Enforcement and Compliance Assurance notified the Board that EPA has received full payment of the penalty (\$163,744) from Tri-iso to resolve the above-captioned matter. Payment by Tri-iso constituted a waiver of Tri-iso's right to contest

the allegations in the Complaint and to appeal this Final Order. *See* 40 C.F.R. § 22.18(a)(3). In accordance with 40 C.F.R. § 22.18(a)(3), the above-captioned matter is hereby **RESOLVED**.

So ordered.¹
