CASE LOTS AVAILABLE AT DEEP DISCOUNTS

PRODUCT M - ORGANIC MOLD, BACTERIA, MILDEW, AND ODOR REMOVER

QUANTITY DISCOUNTS FOR CASE-LOT PURCHASES (12 CANS/CASE)

- M is natural, green, eco-friendly, responsible and completely safe for people and pets
- Contains no harsh ingredients
- Plant based, and enzyme driven; an enzyme-based catalytic
- M is a unique combination of natural ingredients and sophisticated molecular engineering
- Dispersed by a do-it-yourself aerosol fogger that permeates carpets, draperies and every crack and crevice of the treated space
- Fogging reaches microscopic mold spores that have been dispersed through sporulation
- Coverage 600-800 cu. ft./7 oz. can
- Remains active long after application
- Only enzyme products can be fogged
- Completely organic
- Denatures mold protein into its pre-protein components - amino acids and peptides

- Completely eliminates all allergenic potential
- Only fogging reaches everywhere that air travels - over, under, around, behind, through materials – nothing escapes a fogging treatment
- Available in a do-it-yourself aerosol
- For larger jobs, remediation is performed using a professional aerosol delivery fogger
- M is comprised of safe natural enzymes
- No damage to delicate surfaces or people, pets and plants
Fogger enables users to restore indoor air quality
- After treatment, nothing is left behind to cause discomfort or generate allergenic symptoms in sensitive individuals

SPECIFICATIONS

- Water soluble liquid, opaque in color, with a slight citrus odor
- A complex of hydrolyzed proteins and enzymes
- All components are natural and derived from plants
- Active ingredients are GRAS-listed – this preservative system is comprised of FDA and/or CFR-listed components at or below federally mandated levels
- Specific identities of these ingredients are considered to be Trade Secrets and are withheld in accordance with provisions 1910.1200 of Title 29 of the Code of Federal Regulations
- **Fire and Explosion Hazard:** Non-flammable, no associated hazards
- **Hazardous Ingredients:** None
- **Reactivity:** A stable, buffered liquid
- Contains no oxidizing agents

- No known decomposition hazards
- No known conditions to avoid

HEALTH HAZARD DATA

- **EYE CONTACT:** Flush with water for 15 minutes to remove product.
- **SKIN CONTACT:** In case of prolonged contact, wash thoroughly with soap and water.
- **INGESTION:** If ingested, emergency first aid: rinse mouth with water; drink up to 8 ounces of water; if stomach discomfort occurs, seek medical advice.

STORAGE AND CLEANUP

- Should be stored in a clean, dry place, between 40-115 degrees F
- Spills should be wiped up with cloth or paper towels and the area rinsed with water

GMP and TQM QUALITY PROGRAM

- Manufactured to rigid specifications using industry accepted GMP procedures
- Every batch is tested as part of a rigorous TQM program by an independent laboratory prior to shipping

APPLICATION INSTRUCTIONS

- Work areas should be well ventilated
- Although the product is non-hazardous, the concentrated fog could cause discomfort due to volume

- When applying M, a full-face mask with eye protection and a N95 or P100 particulate filter should be worn

Coveralls and gloves are recommended

- Plant-based, biodegradable
- Unlimited shelf life
- Cleans moss, mold, mildew, algae, odor and bacteria
- Convenient ready-to-use formula in a patented fogger can
- Coverage: 60-180 square feet
- Easy spray and leave product; no scrubbing or rinsing required

Product M is a completely green mold remediation product that is plant-based. Because it is an enzyme-based catalytic, M remains on the job long after application (bleach evaporates almost instantly) to provide long-lasting protection from further outbreaks. It is natural, green, eco-friendly and safe for people and pets because it contains no harsh ingredients. It is dispersed by a do-it-yourself aerosol fogger that permeates carpets, draperies and every crack and crevice of the space that needs cleaning. It eliminate moss, mold, mildew, algae, odors, and bacteria from any space. Requires no scrubbing, no rinsing and no power washing.

CUSTOMER REVIEWS

Based on 1 review [Write a review](#)

CORONA VIRUS PREVENTION

Lin Ronald on **Jan 26, 2020**

This product remediates both SARS virus and MERS virus which frightened the world a few years ago. To be safe against CORONA

VIRUS we suggest keeping a stock of M product to protect home or workplace.
