

Applications: Residential, Institutional, Schools, Gyms, Hotels, Marine

Attachment 5

Indoor Spray / Fogger

GREAT FOR CRAWL SPACES, ATTICS & DUCTWORK!

Directions for use: Spray directly on any visible mold stains then lock actuator to use remainder to fog area.

NOTE: CAN SPRAYS STRAIGHT UP. SHAKE WELL BEFORE USING.

Spray: Shake can, hold 10 – 12" away, lightly press actuator and use short burst action to spray on affected area.

Fogger: Place can upright in the middle of affected area. Fully depress actuator button in down and lock position. Contents will automatically disperse. Typical duration time for contents of can is approximately 90 seconds. One can will cover approx. 800 cubic feet of area.

Keep away from heat/sparks/open flames/hot surfaces. Do not spray on an open flame or other ignition source.
