Re: Notice of Proposed Assessment of a Civil Penalty  
In The Matter of: Ulrich Fabrication Inc (a/k/a Ulrich Planfiling Equipment Corporation and R.E. Turner, Inc.)  
Docket No. CWA-02-2024-3302

Dear Mr. Hampston:

Enclosed is a copy of the Administrative Complaint and Notice of Proposed Assessment of a Civil Penalty, and an offer of settlement which the United States Environmental Protection Agency (“EPA”) issued to Ulrich Fabrication Inc (a/k/a Ulrich Planfiling Equipment Corporation and R.E. Turner, Inc.) (“Respondent”), pursuant to Section 309(g) of the Clean Water Act (“Act”), 33 U.S.C. § 1319(g). The EPA is issuing this Complaint to administratively assess a Class I Civil Penalty of \$10,000 against Ulrich Fabrication Inc (a/k/a Ulrich Planfiling Equipment Corporation and R.E. Turner, Inc.) for violations of the Act. The EPA is offering an opportunity for you to confer with us regarding the proposed assessment because the violations have occurred in New York.

Given the nature of the violations, the number of violators and the need for prompt resolution of this matter, an offer of settlement for reduced penalty was offered to Respondent. This offer is contingent upon receipt of no adverse public comments in this matter.

Sincerely,

**For** Dore LaPosta, Director  
Enforcement and Compliance Assurance Division
