CONSENT AGREEMENT AND FINAL ORDER

I. Nature of the Action

1. This is a civil penalty proceeding pursuant to Section 16(a) of the Toxic Substances Control Act (TSCA), 15 U.S.C. § 2615(a), and pursuant to the Consolidated Rules of Practice Governing Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (Consolidated Rules), 40 C.F.R. Part 22. The authority to take action under Section 16(a) of TSCA, 15 U.S.C. § 2615(a) is vested in the Administrator of the United States Environmental Protection Agency. The Administrator of the EPA has delegated this authority under TSCA to the Regional Administrator of the EPA Region 4 by the EPA Delegation 12-2-A, dated May 11, 1994. The Regional Administrator of the EPA Region 4 has re-delegated this authority under TSCA to the Director of the Air, Pesticides and Toxics Management Division, by the EPA Region 4 Delegation 12-2-A, dated January 14, 2009. In accordance with 40 C.F.R. § 22.3(a), the Complainant in this matter is the Director of the Air, Pesticides and Toxics Management Division. Respondent is Meadors Construction, Inc., a company doing business in the State of South Carolina.

2. Complainant and Respondent have conferred for the purpose of settlement pursuant to 40 C.F.R. § 22.18 and desire to resolve this matter and settle the allegations described herein without a formal hearing. Therefore, without the taking of any evidence or testimony, the making of any argument, or the adjudication of any issue in this matter, and in accordance with 40 C.F.R. § 22.13(b), this Consent Agreement and Final Order (CAFO) will simultaneously commence and conclude this matter.

II. Preliminary Statements

3. Pursuant to Sections 402 and 406 of the Toxic Substances Control Act (TSCA), 15 U.S.C. §§ 2682 and 2686, the Administrator of the EPA promulgated Residential Property Renovation Rules at 40 C.F.R. Part 745, Subpart E including the Pre-Renovation Education Rule, the Renovation, Repair and Painting Rule, and the Lead-Based Paint Activities Rule. It is a prohibited act under Section 409 of TSCA, 15 U.S.C. § 2689, for any person to fail or refuse to comply with any of the rules issued under 40 C.F.R. Part 745, Subpart E.

III. Specific Allegations

4. Respondent is a “firm” that performs “renovations” for compensation as those terms are defined, by 40 C.F.R. § 745.83. Based on a review of Respondent’s records during an EPA inspection at Respondent’s office on December 8, 2016, EPA determined that between April 29, 2015 and January 11, 2017, Respondent performed renovation activities at residential units in Charleston, South Carolina. The residential units are “target housing,” as that term is defined by 40 C.F.R. § 745.103.
5. Information obtained by EPA during the above-referenced inspection showed that Respondent’s certification expired on April 28, 2015, but Respondent did not submit an application for recertification at least 90 days prior to the expiration date. The information also shows that

Respondent performed the above-referenced renovations after its certification had expired, but prior to seeking and obtaining re-certification.

6. Pursuant to 40 C.F.R. § 745.89(a), firms seeking to perform renovations for compensation must apply to EPA for certification to perform renovations or dust sampling. Pursuant to 40 C.F.R. § 745.89(b)(1)(i), after a firm has received certification, it must be recertified every five (5) years by filing a complete application for recertification at least 90 days prior to the expiration of the firm's current certification. Pursuant to 40 C.F.R. § 745.89(b)(1)(iii), if the firm fails to obtain recertification before the firm's current certification expires, the firm must not perform renovations or dust sampling until it is certified anew pursuant to 40 C.F.R. § 745(a). Therefore, the EPA alleges that the Respondent violated Sections 402 and 406 of TSCA and 40 C.F.R. Part 745, Subpart E, in connection with the renovation described in paragraph 4, as follows:

Respondent failed to stop renovations or dust sampling before obtaining recertification under 40 C.F.R. § 745.89(a), pursuant to 40 C.F.R. § 745.89(b)(1)(iii).

IV. Consent Agreement

7. For the purposes of this CAFO, Respondent admits the jurisdictional allegations set forth above and neither admits nor denies the factual allegations set forth above.
8. Respondent waives its right to a hearing on the allegations contained herein and its right to appeal the Final Order accompanying the Consent Agreement.
9. Respondent consents to the assessment of the penalty proposed by the EPA and agrees to pay the civil penalty as set forth in the Final Order section of this CAFO.
10. Respondent certifies that as of the date of its execution of this CAFO, it is in compliance with all relevant requirements of 40 C.F.R. Part 745, Subpart E.
11. Compliance with this CAFO shall resolve the allegations of the violations contained herein.

This CAFO shall not otherwise affect any liability of Respondent to the United States. Other than as expressed herein, neither the EPA nor Complainant waives any right to bring an enforcement action against Respondent for violation of any federal or state statute, regulation or permit, to initiate an action for imminent and substantial endangerment, or to pursue criminal enforcement.

V. Final Order

12. Respondent is assessed a civil penalty of **ONE THOUSAND ONE HUNDRED FORTY TWO DOLLARS (\$1,142.00)** which shall be paid within thirty (30) days after the effective date of this CAFO.
13. Respondent shall remit the penalty payment by either a cashier's or certified check made payable to the "Treasurer, United States of America."

The Respondent shall note on the face of the check the Respondent's Name and the Docket Number TSCA-04-2017-2524(b).

16. Pursuant to 31 U.S.C. § 3717, the EPA is entitled to assess interest and penalties on debts owed to the United States and a charge to cover the cost of processing and handling a delinquent claim. Interest will therefore begin to accrue on the civil penalty from the date of entry of this CAFO, if the penalty is not paid by the date required. A charge will also be assessed to cover the administrative costs, both direct and indirect, of overdue debts. In addition, a late payment penalty charge shall be applied on any principal amount not paid within 30 days of the due date.
17. Complainant and Respondent shall bear their own costs and attorney fees in this matter.
18. This CAFO shall be binding upon the Respondent, its successors and assigns.
