9. Respondent certifies that it is complying with FIFRA, 7 U.S.C. §§ 136-136y.

Statutory and Regulatory Background

10. Section 12(a)(1)(A) of FIFRA, 7 U.S.C. § 136j(a)(1)(A), states that it is unlawful for any person in any state to distribute or sell to any person any pesticide that is not registered under Section 3 of FIFRA, 7 U.S.C. § 136a.

11. Section 25(a)(1), 7 U.S.C. § 136w(a)(1), authorizes the EPA to prescribe regulations to carry out the provisions of FIFRA. Pursuant to this authority, EPA codified the Pesticide Registration and Classification Procedures at 40 C.F.R. Part 152.

12. 40 C.F.R. § 152.132 provides that a registrant may distribute or sell a registered product under another person's name and address (known as "supplemental distribution") if: (a) the registrant has submitted to the Agency for each distributor product a statement signed by both the registrant and the distributor listing the names and addresses of the registrant and the distributor, the distributor's company number, the additional brand name(s) to be used, and the registration number of the registered product; (b) the distributor product is produced, packaged and labeled in a registered establishment operated by the same producer who produces, packages, and labels the registered product; (c) the distributor product is not repackaged (remains

in the producer's unopened containers); (d) the label of the distributor product is the same as that of the registered product, except that (1) the product name of the distributor product may be different, (2) the name and address of the distributor may appear instead of that of the registrant, (3) the registration number of the registered product must be followed by a dash, followed by the distributor's company number, (4) the establishment number must be that of the final establishment at which the product was produced, and (5) specific claims may be deleted, provided that no other changes are necessary; and (e) voluntary cancellation of a product applies to the registered product and all distributor products distributed or sold under that registration number.

13. 40 C.F.R. § 152.132 also provides that a distributor is considered an agent of the registrant for all intents and purposes under FIFRA, and both the registrant and the distributor may be held liable for violations pertaining to the distributor product.

14. Section 8(a) of FIFRA, 7 U.S.C. § 136f(a), provides the EPA may prescribe regulations requiring producers to maintain records of production of pesticides. Pursuant to this authority, EPA codified the Books and Records of Pesticide Production and Distribution regulations at 40 C.F.R. Part 169.

15. 40 C.F.R. § 169.2(a) provides that all producers of pesticides shall maintain records showing, among other things, the name of the pesticide produced along with its EPA registration number.

16. Section 12(a)(2)(B)(i) of FIFRA, 7 U.S.C. § 136j(a)(2)(B)(i), provides that it is unlawful for any person to refuse to maintain any records required by Section 8 of FIFRA, 7 U.S.C. § 136f(a).

17. A "person" is defined as "any individual, partnership, association, corporation, or

any organized group of persons whether incorporated or not.” 7 U.S.C. § 136(s).

18. To “distribute or sell” means “to distribute, sell, offer for sale, hold for distribution, hold for sale, hold for shipment, ship, deliver for shipment, release for shipment, or receive and (having so received) deliver or offer to deliver.” 7 U.S.C. § 136(gg).

19. A “pesticide” is, in pertinent part, any substance or mixture of substances intended for preventing, destroying, repelling, or mitigating any pest. 7 U.S.C. § 136(u).

20. A “pest” is, in pertinent part, any insect, rodent, nematode, fungus, weed, or any other form of terrestrial or aquatic plant or animal life or virus, bacteria, or other micro-organism which the EPA declares to be a pest under Section 25(c)(1) of FIFRA. 7 U.S.C. § 136(t).

21. A “producer” is the person who manufactures, prepares, compounds, propagates, or processes any pesticide. 7 U.S.C. § 136(w).

22. To “produce” means “to manufacture, prepare, propagate, compound or process any pesticide, including ... to package, repack, label, relabel, or otherwise change the container of any pesticide.” 40 C.F.R. § 167.3.

23. The Administrator of EPA may assess a civil penalty against any registrant, commercial applicator, wholesaler, dealer, retailer or other distributor who violates any provision of FIFRA of up to \$21,805 for each offense occurring after November 2, 2015 and assessed after January 12, 2022, pursuant to Section 14(a)(1), of FIFRA, 7 U.S.C. § 136l(a)(1), and 40 C.F.R.
