**CONSENT AGREEMENT AND FINAL ORDER**

The U.S. Environmental Protection Agency (EPA), Region 7, and Mark Taylor (Respondent), have agreed to a settlement of this action before filing of a complaint, and thus this action is simultaneously commenced and concluded pursuant to Rules 22.13(b) and 22.18(b)(2) of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Revocation, Termination or Suspension of Permits (Consolidated Rules), 40 C.F.R. §§ 22.13(b) and 22.18(b)(2).

**FACTUAL ALLEGATIONS**

**Jurisdiction**

1. This proceeding is an administrative action for the assessment of civil penalties instituted pursuant to Section 16(a) of the Toxic Substances Control Act (TSCA), 15 U.S.C. § 2615(a).

2. This Consent Agreement and Final Order serves as notice that EPA has reason to believe that Respondent has violated Section 409 of TSCA, 15 U.S.C. § 2689, by failing to comply with the regulatory requirements of 40 C.F.R. Part 745, Subpart F, *Disclosure of Known Lead-Based Paint and/or Lead-Based Paint Hazards Upon Sale or Lease of Residential Property*, promulgated pursuant to Section 1018 of the Residential Lead-Based Paint Hazard Reduction Act of 1992, 42 U.S.C. § 4852d.

**Parties**

3. The Complainant, by delegation from the Administrator of the EPA, is the Chief, Toxics and Pesticides Branch, EPA, Region 7.

4. The Respondent is Mark Taylor, 504 Main Street, Kanorado, Kansas 67741.

### **Statutory and Regulatory Background**

5. Congress passed the Residential Lead-Based Paint Hazard Reduction Act of 1992 (the Act), 42 U.S.C. §§ 4851 to 4856, to address the need to control exposure to lead-based paint hazards. The Act amended TSCA by adding Sections 401 to 412, 15 U.S.C. §§ 2681 to 2692. Section 1018 of the Act required EPA and the Department of Housing and Urban Development (HUD) to jointly issue regulations requiring the disclosure of known lead-based paint and/or lead-based paint hazards by persons selling or leasing housing constructed before the phaseout of residential lead-based paint use in 1978. The regulations, issued March 6, 1996, and codified at 40 C.F.R. Part 745, Subpart F, require that sellers and lessors of most residential housing built before 1978: a) disclose the presence of known lead-based paint and/or lead-based paint hazards in the target housing; b) provide purchasers and lessees with any available records or reports pertaining to the presence of lead-based paint and/or lead-based paint hazards; c) provide purchasers and lessees with a federally approved lead hazard information pamphlet; d) provide purchasers with a 10-day opportunity to conduct a risk assessment or inspection for the presence of lead-based paint and/or lead-based paint hazards before the purchaser is obligated under any purchase contract; and e) include certain disclosure and acknowledgment language in the sales or leasing contract. The failure or refusal to comply with the regulations is a violation of Section 1018 of the Act and Section 409 of TSCA.

7. Respondent is, and at all times referred to herein was, a "person" within the meaning of TSCA.

8. Respondent is the lessor, as that term is defined by 40 C.F.R. § 745.103, of property located at 410 Walnut Street, Kanorado, Kansas 67741.

9. The property referenced above was constructed before 1978; therefore, it is "target housing" as that term is defined by 40 C.F.R. § 745.103.

10. Information collected shows that Respondent entered into a contract to lease the above property in or about 2005 which was renewed on a monthly basis.

11. Information collected shows that Respondent failed to provide the lessee with an EPA-approved lead hazard information pamphlet before lessee was obligated under contract to lease target housing.

12. Respondent's failure to provide an EPA-approved lead hazard information pamphlet is a violation of 40 C.F.R. § 745.107(a)(1), and in accordance with 40 C.F.R. § 745.118(e), a

violation of Section 1018 of the Act, 42 U.S.C. § 4852d, and Section 409 of TSCA, 15 U.S.C. § 2689, and thus Respondent is subject to civil penalties under Section 16 of TSCA, 15 U.S.C. § 2615.

19. Respondent consents to the issuance of the Final Order hereinafter recited and consents to the payment of a mitigated civil penalty in the amount of \$1,000 to be paid within thirty (30) days of the effective date of the Final Order.

20.
