AND FINAL ORDER**

Docket No. RCRA-07-2006-0262

I. PRELIMINARY STATEMENT

This proceeding was initiated on or about September 28, 2006, when the United States Environmental Protection Agency, Region VII (Complainant or EPA) issued a Complaint, Compliance Order and Notice of Opportunity for Hearing (Complaint) to Kawasaki Motors Manufacturing Corp., U.S.A. (Respondent). Pursuant to Sections 3008(a) and (g) of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976 and the Hazardous and Solid Waste Amendments of 1984 (hereinafter known as RCRA), 42 U.S.C. § 6901, et seq., the Complainant sought civil penalties for alleged violations of 42 U.S.C. § 6925 and 40 C.F.R. § 262.11.

Complainant and Respondent subsequently entered into negotiations in an attempt to settle the allegations contained in the Complaint. This Consent Agreement and Final Order (CAFO) is the result of such negotiations and resolves all issues relating to the administrative claims arising from the allegations in the Complaint.

CONSENT AGREEMENT

1. Respondent and EPA agree to the terms of this Consent Agreement and Final Order and Respondent agrees to comply with the terms of the Final Order portion of this Consent

Agreement and Final Order. The terms of the Consent Agreement and Final Order shall not be modified except by a subsequent written agreement between the parties.

2. Respondent admits the jurisdictional allegations of this Complaint and agrees not to contest EPA's jurisdiction in this proceeding or any subsequent proceeding to enforce the terms of the Final Order portion of this Consent Agreement and Final Order set forth below.

3. Respondent neither admits nor denies the factual allegations and legal conclusions set forth in the Complaint.

4. Respondent waives its right to a judicial or administrative hearing on any issue of fact or law set forth in the Complaint, and waives its right to appeal the Final Order set forth below.

5. Respondent and Complainant agree to conciliate the matters set forth in the Complaint without the necessity of a formal hearing and to bear their respective costs and attorney's fees.

6. Nothing contained in the Final Order portion of this Consent Agreement and Final Order shall alter or otherwise affect Respondent's obligation to comply with all applicable federal, state and local environmental statutes and regulations and applicable permits.

7. The undersigned representative of Respondent certifies that he or she is fully authorized to enter the terms and conditions of this Consent Agreement and Final Order and to execute and legally bind Respondent to it.

8. Respondent agrees that, in settlement of the claims alleged in the Complaint and without admitting any violations of law, Respondent shall pay a mitigated civil penalty of \$ 68,055.00, as set forth in paragraph 1 of the Final Order. Full payment of the penalty in accordance with the Final Order shall only resolve Respondent's liability for federal civil penalties for the violations and facts alleged in the Complaint.

9. Respondent understands that failure to pay any portion of the civil penalty on the date the same is due may result in the commencement of a civil action in Federal District Court to collect said penalty, along with interest thereon at the applicable statutory rate.

10. This Consent Agreement and Final Order shall be effective upon entry of the Final Order by the Regional Judicial Officer for EPA Region 7. Unless otherwise stated, all time periods stated herein shall be calculated in calendar days from such date.

11. This Consent Agreement and the Final Order shall remain in full force and effect until Complainant provides Respondent with written notice, in accordance with paragraph 12 of the Final Order, that all requirements hereunder have been satisfied.
