EXPEDITED SETTLEMENT AGREEMENT

(COMBINED COMPLAINT AND
CONSENT AGREEMENT)
DOCKET NO. : CAA-08-2008-0009

This Expedited Settlement Agreement (also known as a “Combined Complaint and Consent Agreement,” hereafter “ESA”) is entered into by the parties for the purpose of simultaneously commencing and concluding this matter.

This ESA is being entered into by the United States Environmental Protection Agency (“EPA”), Region 8, by its duly delegated official, the Assistant Regional Administrator, Office of Enforcement, Compliance and Environmental Justice, and by the Left Hand Water District (“Respondent”) pursuant to sections 113(a)(3) and (d) of the Clean Air Act (the “Act”), 42 U.S.C. §§ 7413(a)(3) and (d), and 40 C.F.R. § 22.13(b). EPA and the U.S. Department of Justice have determined, pursuant to section 113(d)(1) of the Act, 42 U.S.C. § 7413(d)(1), that EPA may pursue this type of case through administrative enforcement action.

ALLEGED VIOLATIONS

On November 14, 2007, an authorized representative of EPA conducted compliance inspections of the Spurgeon Water Treatment Plant and Dodd Treatment Plant located at 3500 Nimbus Road and 6800 Nimbus Road, Longmont, Colorado, respectively, to determine

compliance with the Risk Management Plan (“RMP”) regulations promulgated at 40 C.F.R. part 68 under section 112(r) of the Act. EPA found that both facilities had violated regulations implementing section 112(r) of the Act by failing to comply with the specific requirements outlined in the two attachments each titled *RMP Program Level 2 Process Checklist-Alleged Violations & Penalty Assessment* (“Checklist and Penalty Assessment”).

SETTLEMENT

In consideration of Respondent’s individual facility service size, its full compliance history, its good faith effort to comply, and other factors as justice may require, and upon consideration of the entire record, the parties enter into this ESA in order to settle the violations for the total penalty amount of \$240 (\$120 for each Plant). An explanation for the penalty calculations is found in the two attachments each with a title of *Expedited Settlement Penalty Matrix*.

This settlement is subject to the following terms and conditions:

The Respondent by signing below waives any objections that it may have regarding jurisdiction, neither admits nor denies the specific factual allegations contained in the Checklists and Penalty Assessments and consents to the assessment of the penalty as stated above.

Respondent waives its rights to a hearing afforded by section 113(d)(2)(A) of the Act, 42 U.S.C. § 7413(d)(2)(A), and to appeal this ESA, and consents to EPA’s approval of the ESA without further notice. Each party to this action shall bear its own costs and fees, if any. Respondent also certifies, subject to civil and criminal penalties for making a false submission to the United States Government, that Respondent will correct the violations listed in the Checklists and Penalty Assessments **no later than 60 days** from the date the ESA is signed by the Respondent.

After the Regional Judicial Officer issues the Final Order, the Respondent will receive a fully executed copy of this ESA and the Final Order. Within twenty days (20) of receiving a signed Final Order, Respondent shall remit a cashier's or certified check payable to the "Treasurer, United States of America" in the amount of \$240 to the following address:

US Environmental Protection Agency
Fines and Penalties
Cincinnati Finance Center
P.O. Box 979076
St. Louis, MO 63197-9000

The check shall reference Respondent's name and facility address, the EPA Docket Number of this action. A copy of the check shall be sent simultaneously to:

Tina Artemis, Regional Hearing Clerk
U.S. Environmental Protection Agency, Region 8
1595 Wynkoop Street [8RC]
Denver, Colorado 80202-1129

and

Cheryl Turcotte
EPCRA/RMP Enforcement Coordinator
US EPA, Region 8
1595 Wynkoop Street [8ENF-AT]
Denver, Colorado 80202-1129

The penalty specified in this ESA shall not be deductible for purposes of State or Federal taxes.

Upon Respondent's receipt of the signed ESA and Final Order by the Regional Judicial Officer and payment of the penalty as set forth in this ESA, EPA will take no further civil action against Respondent for the alleged violations of the Act referenced in the Risk Management Plan Penalty Checklists. EPA does not waive its right to take enforcement action for other violations of the Clean Air Act or for violations of any other statute.

If the signed original ESA is not returned to the EPA Region 8 office at the above address in correct form by the Respondent in a timely manner, the proposed ESA is withdrawn, without prejudice to EPA's ability to file an enforcement action for the violations identified herein.

In addition, if Respondent fails to comply with the provisions of this ESA, by either 1) failing to timely submit the above-referenced payment or 2) by failing to correct the violations no later than 60 days from the date the ESA is signed by the Respondent, the Respondent agrees that this agreement shall become null and void, and that EPA may file an administrative or civil enforcement action against Respondent for the violations addressed herein.

This ESA is binding on the parties signing below.

PENALTY WORKSHEET

Adjusted Penalty = Unadjusted Penalty X Service Size Multiplier

The Unadjusted Penalty is calculated by adding up all the penalties listed on the Process Checklist of Alleged Violations & Penalty Assessment

The Service Size multiplier considers the population served by the entity. The penalty is the amount of the non-negotiable penalty that is calculated by multiplying the total Unadjusted Penalty and the Service Size multiplier.

The service population is less than 10,000 for the Spurgeon Water Treatment Plant.
