**CONSENT AGREEMENT AND FINAL ORDER**

1. This is an administrative action commenced and concluded under section 109(b) of the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA), 42 U.S.C. § 9609(b), and sections 22.13(b) and 22.18(b)(2) and (3) of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (Consolidated Rules) as codified at 40 C.F.R. part 22.

2. Complainant is, by lawful delegation, the Chief of the Enforcement and Compliance Assurance Branch, Superfund Division, United States Environmental Protection Agency (U.S. EPA), Region 5.

3. Respondent is Ohio Pool Equipment & Supply Company, Inc., a corporation doing business in the State of Ohio.

4. According to 40 C.F.R. § 22.13(b), where the parties agree to settle one or more causes of action before the filing of a complaint, an administrative action may be commenced and concluded simultaneously by the issuance of a consent agreement and final order (CAFO).

5. The parties agree that settling this action without the filing of a complaint or the adjudication of any issue of fact or law is in their interest and in the public interest.

6. Respondent consents to the assessment of the civil penalty specified in this CAFO, and to the terms of the CAFO.

**JURISDICTION AND WAIVER OF THE RIGHT TO A HEARING**

7. Respondent admits the jurisdictional allegations in this CAFO and neither admits nor denies the factual allegations in this CAFO.

8. Respondent waives its right to request a hearing as provided at 40 C.F.R. § 22.15(c), any right to contest the allegations in this CAFO, and its right to appeal this CAFO.

**STATUTORY AND REGULATORY BACKGROUND**

9. Section 103(a) of CERCLA, 42 U.S.C. § 9603(a), requires any person in charge of a facility to immediately notify the National Response Center (NRC) as soon as that person has knowledge of any release of a hazardous substance from the facility in an amount equal to or greater than the reportable quantity of the hazardous substance.

10. Section 103(a) of CERCLA, 42 U.S.C. § 9603(a), provides a mechanism to alert federal, state and local agencies that a response action may be necessary to prevent deaths or injuries to emergency responders, facility personnel and the local community. A delay or failure to notify could seriously hamper the governments' response to an emergency and pose serious threats to human health and the environment.

11. Section 109(b) of CERCLA, 42 U.S.C. § 9609(b), authorizes U.S. EPA to assess a civil penalty of up to \$25,000 per day of violation of CERCLA section 103. The Debt Collection Improvement Act of 1996, 31 U.S.C. § 3701 note, and its implementing regulations at 40 C.F.R. part 19 increased these statutory maximum penalties to \$37,500 per day of violation for violations that occurred after January 12, 2009.

## FACTUAL ALLEGATIONS AND ALLEGED VIOLATIONS

19. In a 24 hour time period, the release of sodium hypochlorite exceeded 100 pounds.
20. During the release, approximately 944 pounds of sodium hypochlorite spilled, leaked, poured, emitted, discharged, escaped, or dumped onto the land surface, into subsurface strata, or into the ambient air.
21. The release is a “release” as that term is defined under section 101(22) of CERCLA, 42 U.S.C. § 9601(22).

#### **CIVIL PENALTY**

26. Complainant has determined that an appropriate civil penalty to settle this action is \$9,000 for the CERCLA violation. In determining the penalty amount, Complainant considered the nature, circumstances, extent and gravity of the violation, and with respect to Respondent, its ability to pay, prior history of violations, economic benefit or savings resulting from the violation and any other matters as justice may require. Complainant also considered U.S. EPA's Enforcement Response Policy for Sections 304, 311 and 312 of the Emergency Planning and Community Right-to-Know Act and Section 103 of the Comprehensive Environmental Response Compensation and Liability Act, dated September 30, 1999 (EPCRA/CERCLA Enforcement Response Policy).
