CONSENT AGREEMENT AND FINAL ORDER

Preliminary Statement

The U.S. Environmental Protection Agency, Region 7 (EPA or Complainant), and Nufarm Americas Inc. (Respondent) have agreed to a settlement of this action before the filing of a Complaint, and thus this action is simultaneously commenced and concluded pursuant to Rules 22.13(b) and 22.18(b)(2) of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits, 40 C.F.R. §§ 22.13(b) and 22.18(b)(2).

Jurisdiction

1. This proceeding is an administrative action for the assessment of civil penalties instituted pursuant to Section 14 of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), 7 U.S.C. § 136l.
2. This Consent Agreement and Final Order serves as notice that EPA has reason to believe that Respondent has violated Section 12 of FIFRA, 7 U.S.C. § 136j.

Parties

3. Complainant, by delegation from the Administrator of EPA and the Regional Administrator, EPA, Region 7, is the Director of the Enforcement and Compliance Assurance Division, EPA, Region 7.
4. The Respondent is a corporation in good standing under the laws of the state of Illinois and located at 11901 S. Austin Ave., Alsip, Illinois 60803.

Statutory and Regulatory Background

5. Congress enacted FIFRA in 1947 and amended it in 1972 and in 1996. The general purpose of FIFRA is to provide the basis for regulation, sale, distribution and use of pesticides in the United States. 7 U.S.C. 136 et. seq.

6. Section 12(a)(1)(E) of FIFRA, 7 U.S.C. § 136j(a)(1)(E), states it shall be unlawful for any person to distribute or sell any pesticide that is adulterated or misbranded.

7. Section 2(t) of FIFRA, 7 U.S.C. § 136(t), defines “pest” to mean (1) any insect, rodent, nematode, fungus, weed, or (2) any other form of terrestrial or aquatic plant or animal life or virus, bacteria, or other micro-organism (except viruses, bacteria, or other micro-organism on or in living man or other living animals) which the Administrator declares to be a pest under Section 25(c)(1).

8. Section 2(u) of FIFRA, 7 U.S.C. § 136(u), defines “pesticide” to mean any substance or mixture of substances intended for preventing, destroying, repelling, or mitigating any pest.

9. Section 2(s) of FIFRA, 7 U.S.C. § 136(s), defines “person” to mean any individual, partnership, association, corporation, or any organized group of persons whether incorporated or not.

10. Section 2(gg) of FIFRA, 7 U.S.C. § 136(gg), defines “to distribute or sell” to mean to distribute, sell, offer for sale, hold for distribution, hold for sale, hold for shipment, ship, deliver for shipment, release for shipment, or receive and (having so received) deliver or offer to deliver.

11. Section 2(q)(1)(G) of FIFRA, 7 U.S.C. § 136(q)(1)(G), states a pesticide is misbranded if the label does not contain a warning or caution statement which may be necessary if compiled with, together with any requirements imposed under Section 3(d) of FIFRA, 7 U.S.C. § 136a(d), is adequate to protect health and the environment.

12. Pursuant to 40 C.F.R. § 156.60(a)(1), the signal word and child hazard warning statements are required to appear on the front panel of the label.

13. Section 2(q)(2)(A) of FIFRA, 7 U.S.C. § 136(q)(2)(A), states a pesticide is misbranded if the label does not bear an ingredient statement on that part of the immediate container (and on the outside container or wrapper of the retail package, if there be one, through which the ingredient statement on the immediate container cannot be clearly read) which is presented or displayed under customary conditions of purchase.

14. Pursuant to 40 C.F.R. § 156(g)(2), the ingredient statement is required on the front panel of the label.

15. Section 2(q)(1)(E) of FIFRA, 7 U.S.C. § 136(q)(1)(E), states a pesticide is

misbranded if any word, statement, or other information required by or under authority of this Act to appear on the label or labeling is not prominently placed thereon with such conspicuousness and in such terms as to render it likely to be read and understood by the ordinary individual under customary conditions of purchase and use.

16. Section 2(q)(2)(C)(iv) of FIFRA, 7 U.S.C. § 136(q)(2)(C)(iv), states that a pesticide is misbranded if there is not affixed to its container, and to the outside container or wrapper of the retail package, if there be one, through which the required information on the immediate cannot be clearly read, a label bearing the registration number assigned to the pesticide.

17. Section 2(y) of FIFRA, 7 U.S.C. § 136(y), defines “registrant” as a person who has registered any pesticide pursuant to the provisions of FIFRA.

18. The regulation at 40 C.F.R. § 152.132 allows that the registrant of a pesticidal product may distribute or sell his registered product under another person’s name and address instead of (or in addition to) his own. Such distribution and sale is termed “supplemental distribution” and the product is referred to as a “distributor product.” The distributor is considered an agent of the registrant for all intents and purposes under the Act, and both the registrant and the distributor may be held liable for violations pertaining to the distributor product.

19. Section 14(a)(1) of FIFRA, 7 U.S.C. § 136l(a)(1), authorizes a civil penalty of not more than \$5,000 for each offense. The Debt Collection Improvement Act of 1996, 31 U.S.C. § 3701, as amended, and the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015, 28 U.S.C. § 2461, and implementing regulations at 40 C.F.R. Part 19, increased these statutory maximum penalties to \$7,500 for violations that occurred before November 2, 2015, and to \$19,936 for violations that occur after November 2, 2015, and are assessed after February 6, 2019.

General Factual Allegations

20. Respondent is, and at all times referred to herein was, a “person” within the meaning of FIFRA.

21. Respondent is, and at all times referred to herein was, the registrant of the pesticidal products Mallet 0.2 Granular Insecticide, EPA Registration Number (EPA Reg. No.) 228-510 (Mallet), and Viper Weed and Feed, EPA Reg. No. 228-412 (Viper).

22. At all times referred to herein, Respondent allowed Howard Johnson’s Enterprises to distribute and sell Mallet and Viper as “distributor product” under its name pursuant to 40 C.F.R. § 152.132.

23. On May 24, 2018, and May 30, 2018, the EPA conducted an inspection at the Howard Johnson’s Enterprises, Inc. facility in Neosho, Missouri, pursuant to the authority set forth in Section 9 of FIFRA, 7 U.S.C. § 136g, to evaluate compliance with the requirements of

FIFRA and the federal regulations promulgated thereunder (the Inspection). As part of the Inspection, the EPA collected documentation concerning the supplemental distribution of Mallet and Viper, including representative labeling and distribution records.

Allegations of Violations

24. The Complainant hereby states and alleges that Respondent has violated FIFRA and federal regulations promulgated thereunder, as follows:

Count 1

25. The facts stated in Paragraphs 20 through 23 above are herein incorporated.

26. Pursuant to Section 12(a)(1)(E) of FIFRA, 7 U.S.C. § 136j(a)(1)(E), it is unlawful for any person to distribute or sell any pesticide that is adulterated or misbranded. Pursuant to 40 C.F.R. § 152.132, both the registrant and the distributor may be held liable for violations pertaining to a distributor product.

27. Pursuant to 40 C.F.R. § 152.132, a registrant may distribute or sell his registered product under another person's name and address instead of (or in addition to) his own, if all conditions of 40 C.F.R. § 152.132 (a) through (d) are met. Pursuant to 40 C.F.R. § 152.132, the label of the distributor product must be the same as that of the registered product.

28. Information gathered as a result of the Inspection, including but not limited to, representative labeling and distribution records, revealed that Howard Johnson's Enterprises, Inc. distributed Mallet distributor product and Viper distributor product on Respondent's behalf for which the labeling of the products were not the same as that of Respondent's registered product. Specifically, distributor products deviated from the registered products labeling and were misbranded pursuant to: (a) Section 2(q)(2)(A) of FIFRA, 7 U.S.C. § 136(q)(2)(A), and 40 C.F.R. § 156(g)(2), because the ingredient statement was not located on the front panel of the label; and (b) Section 2(q)(1)(G) of FIFRA, 7 U.S.C. § 136(q)(1)(G), and 40 C.F.R. § 156.60(a)(1), because the signal word and the child hazard warning statement were not located on the front panel of the label.

29. Respondent's failure to adhere to supplemental distribution conditions set forth at 40 C.F.R. § 152.132 and Howard Johnson's Enterprises, Inc.'s distribution of misbranded distributor product on Respondent's behalf is a violation of Section 12(a)(1)(E) of FIFRA, 7 U.S.C. § 136j(a)(1)(E).
