IV. FINDINGS OF FACT

- 28. Respondent is, and was at all times relevant to this CAFO, an “agent” that entered into contracts with “purchasers” and “lessees” for the purpose of selling and leasing “residential dwellings” that are “target housing” as those terms are defined at 40 C.F.R. § 745.103.
- 29. On March 1, 2023, an inspector with the EPA conducted an inspection at Respondent’s place of business located at 634 Crandon Boulevard, Key Biscayne, Florida 33149, for the purpose of evaluating Respondent’s compliance with the requirements of 40 C.F.R. Part 745, Subpart F.
- 30. On April 10, 2023, the EPA inspector requested that Respondent provide certain records to the inspector demonstrating compliance with 40 C.F.R. Part 745, Subpart F. On May 22, 2023, Respondent submitted the records requested by the EPA inspector.
- 31. Based on the review of Respondent’s records, the EPA determined that Respondent had entered into contracts to lease the residential dwellings that are target housing at the following locations on the specified dates listed below:
 - a) 1611 Michigan Avenue, Miami Beach, Florida 33139, built in 1938, lease entered into on November 1, 2022;

 - d) 580 University Drive, Miami, Florida 33134, built in 1957, lease entered into on November 1, 2022.
- 32. Based on the review of Respondent’s records, the EPA determined that Respondent had acted in the capacity of an agent to represent sellers for the purpose of entering contracts for the sale of residential dwellings that are target housing at the following locations on the specified dates listed below:
 - a) 3660 Northeast 166 Street, Unit 510, North Miami Beach, Florida 33160, built in 1971, contracted for sale on November 10, 2022; and
 - b) 453 Northwest 19th Street, Unit 349, Miami, Florida 33136, built in 1973, contracted for sale on September 28, 2022.
- 33. The records submitted by Respondent failed to include documentation showing that prior to entering into the leases referenced in Paragraph 31, Respondent had included as an attachment

or within the contracts to lease target housing, a statement by the lessees affirming receipt of the information required under 40 C.F.R. § 745.113(b)(2) and (b)(3), and the lead hazard pamphlet required under 15 U.S.C. § 2686, in accordance with 40 C.F.R. § 745.113(b)(4).

34. The records provided by Respondent failed to include documentation showing that prior to the purchasers being obligated under the contracts listed in Paragraph 32, Respondent had:
- a) Permitted the purchasers a 10-day period, or a written, mutually agreed upon different time period, to conduct a risk assessment or inspection for the presence of lead-based paint and/or lead-based paint hazards, or received written notice by the purchaser that they had waived the opportunity to conduct the risk assessment or inspection, as required by 40 C.F.R. § 745.110(a);

Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of the Act and other federal, state, or local laws or statutes, nor shall it restrict the EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit, except as expressly provided herein.

51. Nothing herein shall be construed to limit the power of the EPA to undertake any action against Respondent or any person in response to conditions that may present an imminent hazard as provided under the Act.

58. By signing this Consent Agreement, Respondent certifies that the information it has supplied concerning this matter was at the time of submission, and continues to be, true, accurate, and complete for each such submission, response, and statement. Respondent acknowledges that there are significant penalties for submitting false or misleading information, including the possibility of fines and imprisonment for knowing submission of such information, under 18 U.S.C. § 1001.
59. It is the intent of the Parties that the provisions of this CAFO are severable. If any provision or authority of this CAFO or the application of this CAFO to any party or circumstances is held by any judicial or administrative authority to be invalid or unenforceable, the application of such provisions to other parties or circumstances and the remainder of the CAFO shall remain in force and shall not be affected thereby.
60. The EPA also reserves the right to revoke this CAFO and settlement penalty if and to the extent that the EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to the EPA. If such false or inaccurate material was provided, the EPA reserves the right to assess and collect any and all civil penalties for any violation described herein. The EPA shall give Respondent notice of its intent to revoke, which shall not be effective until received by Respondent in writing.
