REGIONAL HEARING CLERK  
EPA REGION VI

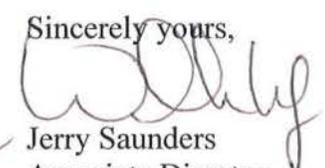

Dear Mr. Hunt:

Enclosed is a Final Administrative Order (Order) for a violation of the Safe Drinking Water Act (SDWA). A violation for failure to plug Well No. 14 was identified based on review of our files. The enclosed Order does not assess a monetary penalty; however, it does require compliance with the SDWA. You are required to complete plugging and to submit a report that shows details of the plugging procedure.

We issued a proposed order on May 29, 2013, for review and comment by you and the public. We did not receive any comments on the proposed order from the public and you did not request a hearing. The proposed Order is hereby made final.

The SDWA allows you or any person who commented on the proposed order, to file an appeal of the final order with the United States District Court or the district where the violation occurred. Such appeal must be filed within 30 days after the final order is issued. If you file an appeal, you must simultaneously send a copy of the appeal by certified mail to the Administrator of the Environmental Protection Agency and to the U. S. Attorney General.

If you have any questions concerning this order, please contact Mr. David Aguinaga, at 214-665-6439.

Sincerely yours,  
  
for Jerry Saunders
