Settlement

44. Section 325(c) of EPCRA, 42 U.S.C. § 11045(c), provides that any person who violates EPCRA § 313, 42 U.S.C. § 11023, shall be liable to the United States for a civil penalty of up to \$25,000 per violation. Pursuant to the Adjustment of Civil Monetary Penalties for Inflation, 40 C.F.R. Part 19, violations of Section 313 of EPCRA, 42 U.S.C. § 11023, occurring after January 12, 2009 are subject to a civil penalty of up to \$37,500 per violation.
45. Respondent agrees to pay a civil penalty in the amount of **TWENTY EIGHT THOUSAND SIX HUNDRED AND TWENTY THREE DOLLARS (\$28,623.00)** in settlement and satisfaction of all civil claims for penalties which Complainant may have concerning the violations alleged and set forth in this Consent Agreement. Such civil penalty shall become due and payable immediately upon Respondent's receipt of a true and correct copy of the CAFO. In order to avoid the assessment of interest, administrative costs and late payment penalties in connection with such civil penalty, Respondent must pay such civil penalty no later than thirty (30) calendar days after the date on which this CAFO is mailed or hand-delivered to Respondent.
46. The civil penalty settlement amount set forth in Paragraph 45, immediately above, is reasonable and is based upon complainant's consideration of the statutory factors set forth in EPCRA § 325(b)(1)(C), 42 U.S.C. § 11045(b)(1)(C), which include the seriousness of the violation and any good faith efforts to comply with the applicable requirements. These factors were applied to the particular facts and circumstances of this case with specific reference to EPA's *Enforcement Response Policy for Section 313 of the Emergency Planning and Community Right-to-Know Act (1986)* (April 12, 2001). Complainant has also considered the Adjustment of Civil Penalties for Inflation, 40 C.F.R. Part 19, and the November 16, 2009 memorandum by EPA Waste and Chemical Division Director Rosemarie A. Kelley entitled *Adjusted Penalty Policy Matrices Based on the 2008 Civil Monetary Penalty Inflation Adjustment Rule* ("Kelley Memorandum").
47. The civil penalty of Twenty Eight Thousand Six Hundred and Twenty Three Dollars (\$28,623.00) set forth in Paragraph 45, above, may be paid in nine (9) installments with interest at the rate of one percent (1%) per annum on the outstanding principal balance in accordance with the following schedule:

<u>Schedule</u> <u>Amount Due</u>	<u>Principal Amount</u>		<u>Interest</u>		<u>Payment</u>
1 st payment within 30 days of the date on which this	\$3,180.33	+	\$0.00	=	\$3,180.33

the civil penalty in the amount of Twenty Eight Thousand Six Hundred and Twenty Three Dollars (\$28,623.00) and total interest payments in the amount of One Hundred and Seventeen Dollars and Seventy Four Cents (\$117.74).

48. If Respondent fails to make one of the installment payments in accordance with the schedule set forth in Paragraph 47, above, the entire unpaid balance of the penalty and all accrued interest shall become due immediately upon such failure, and Respondent shall immediately pay the entire remaining principal balance of the civil penalty along with any interest that has accrued up to the time of such payment. In addition, Respondent shall be liable for and shall pay administrative handling charges and late payment penalty charges as described in Paragraphs 51 through 54, below, in the event of any such failure or default.
49. Notwithstanding Respondent's agreement to pay the assessed civil penalty in accordance with the installment schedule set forth in Paragraph 47, above, Respondent may pay the entire civil penalty of Twenty Eight Thousand Six Hundred and Twenty Three Dollars (\$28,623.00) within thirty (30) calendar days after the date on which a copy of this Consent Agreement and Final Order is mailed or hand-delivered to Respondent and thereby, avoid the payment of interest pursuant to 40 C.F.R. § 13.11(a) as described in Paragraph 52, below. In addition, Respondent may, at any time after commencement of payments under the installment schedule, elect to pay the entire principal balance, together with accrued interest to the date of such full payment.
50. Payment of the civil penalty amount set forth in Paragraph 45 and over the time period specified in Paragraph 47, above, plus any interest, administrative fees, and late payment penalties owed, in accordance with Paragraphs 51 through 54, below, by either cashier's check, certified check, or electronic wire transfer, in the following manner:

51. Pursuant to 31 U.S.C. § 3717 and 40 C.F.R. § 13.11, EPA is entitled to assess interest and late payment penalties on outstanding debts owed to the United States and a charge to cover the costs of processing and handling a delinquent claim, as more fully described below. Accordingly, Respondent's failure to make timely payment as specified herein shall result in the assessment of late payment charges including interest, penalties, and/or administrative costs of handling delinquent debts.

52. Interest on the civil penalty assessed in this CAFO will begin to accrue on the date that a true and correct copy of this CAFO is mailed or hand-delivered to Respondent. However, EPA will not seek to recover interest on any amount of the civil penalty that is paid within thirty (30) calendar days after the date on which such interest begins to accrue. Interest will be assessed at the rate of the United States Treasury tax and loan rate in accordance with 40 C.F.R. § 13.11(a).

53. The costs of the Agency's administrative handling of overdue debts will be charged and assessed monthly throughout the period a debt is overdue. 40 C.F.R. §

13.11(b). Pursuant to Appendix 2 of EPA's *Resources Management Directives - Cash Management*, Chapter 9, EPA will assess a \$15.00 administrative handling charge for administrative costs on unpaid penalties for the first thirty (30) day period after the payment is due and an additional \$15.00 for each subsequent thirty (30) days the penalty remains unpaid.

54. A late payment penalty of six percent per year will be assessed monthly on any portion of the civil penalty that remains delinquent more than ninety (90) calendar days. 40 C.F.R. § 13.11(c). Should assessment of the penalty charge on the debt be required, it shall accrue from the first day payment is delinquent. 31 C.F.R. § 901.9(d).

55. Respondent agrees not to deduct for federal tax purposes the civil monetary penalty assessed in this CAFO.

Certification

56. The individual who signs this Consent Agreement on behalf of Respondent certifies that the Facility referred to in this Consent Agreement is currently in compliance with all applicable requirements of EPCRA Section 313, 42 U.S.C. § 11023.

Other Applicable Laws

57. Nothing in this CAFO shall relieve Respondent of its obligation to comply with all applicable federal, state, and local laws and regulations.

Reservation of Rights

58. This Consent Agreement and the accompanying Final Order resolve only EPA's claims for civil penalties for the specific violations of EPCRA Section 313, 42 U.S.C. § 11023, alleged herein. EPA reserves the right to commence action against any person, including Respondent, in response to any condition which EPA determines may present an imminent and substantial endangerment to the public health, public welfare, or the environment. In addition, this settlement is subject to all limitations on the scope of resolution and to the reservation of rights set forth in Section 22.18(c) of the Consolidated Rules of Practice. Further, EPA reserves any rights and remedies available to it under EPCRA, the regulations promulgated thereunder, and any other federal laws or regulations for which EPA has jurisdiction, to enforce the provisions of this CAFO, following its filing with the Regional Hearing Clerk.

Scope of Settlement

59. The settlement set forth in this CAFO shall constitute full and final satisfaction of Complainant's civil claims for penalties for the specific violations alleged herein. Compliance with the CAFO shall not be a defense to any action commenced at any

time for any other violation of the federal laws and regulations administered by EPA.

Parties Bound

60. This Consent Agreement and the accompanying Final Order shall apply to and be binding upon the EPA, the Respondent and the officers, directors, employees, contractors, successors, agents, and assigns of Respondent.
