**EXPEDITED SETTLEMENT AGREEMENT (ESA)**

**DOCKET NO: CAA 06-2022-3325**

**This ESA is issued to: Neale Gas Processing**

**At: 1088 Arco Road, Merryville, Louisiana 70653**

**for violating Section 112(r)(7) of the Clean Air Act.**

The United States Environmental Protection Agency (EPA), through its delegated official, the Director of the Enforcement and Compliance Assurance Division, and Neale Gas Processing facility (Respondent) have agreed to a settlement of this action before filing of a complaint, and thus this action is simultaneously commenced and concluded pursuant to Rules 22.13(b) and 22.18(b)(2) of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (Consolidated Rules), 40 C.F.R. Part 22.

This ESA is an administrative action for the assessment of civil penalties instituted pursuant to Section 113(d) of the Clean Air Act (CAA), 42 U.S.C. § 7413(d). Pursuant to Section 113(d) of the CAA, 42 U.S.C. § 7413(d), the Administrator and the Attorney General jointly determined that cases which meet the criteria set forth in the EPA's policies<sup>1</sup> are appropriate for administrative penalty action.

**ALLEGED VIOLATIONS**

On April 5, 2021, EPA's Risk Management Program Reporting Center sent a letter to Respondent, notifying Respondent of its failure to update the Risk Management Plan on file with the EPA for its facility located in Dallas, Texas. Facilities subject to the Risk Management Program (RMP) regulations at 40 C.F.R. Part 68 are required to submit an updated Risk Management Plan at least once every five years. The EPA's review indicates that the update for your facility was not submitted by the required due date of February 26, 2021. The EPA found that Respondent had violated the RMP regulations and Section 112(r)(7) of the CAA, 42 U.S.C. § 7412(r)(7), as follows:

- 1) 40 C.F.R. § 68.190(a), (b)(1) Updates – The owner or operator shall review and update the RMP as specified in paragraph (b) of this section and submit it in the method and format to the central point specified by EPA as of the date of submission. (b) The owner or operator of a stationary source shall revise and update the RMP submitted under 40 C.F.R. § 68.150 as follows (1) At least once every five years from the date of its initial submission or most recent update required by paragraphs (b)(2) through (b)(7) of this section, whichever is later.

## SETTLEMENT

In consideration of the factors set forth in Section 113(e) of the CAA, 42 U.S.C. § 7413(e), the criteria set forth in the EPA's policies<sup>1</sup>, and upon consideration of the entire record, EPA and Respondent enter into this ESA to settle the violations, described above, for the total penalty amount of **\$1,600.00**.

This settlement is subject to the following terms and conditions:

Respondent waives its rights to a hearing afforded by Section 113(d)(2)(A) of the CAA, 42 U.S.C. § 7413(d)(2)(A), and to appeal this ESA. Each party to this action shall bear its own costs and fees, if any. Respondent also certifies, subject to civil and criminal penalties for making a false statement to the United States Government, that Respondent has corrected the violations listed above and has paid the full penalty of **\$1,600.00** by certified or cashier's check made payable to the "United States Treasury" and sent to:

Full payment of the ESA penalty shall only resolve Respondent's civil liability for the violations alleged above. The EPA does not waive any other enforcement action by EPA for any other past, present, or future violations under the CAA or any other statute.

If the **signed ESA with a copy of the payment** is not returned to the **EPA Region 6** at the above e-mail address in correct form by Respondent within 30 days of the date of the receipt of this ESA, the proposed ESA is withdrawn, without prejudice to EPA's ability to file additional enforcement actions for the violation identified in this ESA.
