EXPEDITED SETTLEMENT AGREEMENT

DOCKET NO: CAA-02-2024-1207

This ESA is issued to: Arctic Glacier Hicksville
35 Engel Street
Hicksville, NY 11801

This Expedited Settlement Agreement ("ESA") is being entered into by the U.S. Environmental Protection Agency, Region 2 ("EPA"), by its duly delegated official, and Arctic Glacier Hicksville ("Respondent") pursuant to Sections 113(a)(3) and (d) of the Clean Air Act (the "Act"), 42 U.S.C. §7413(a)(3) and (d), and 40 C.F.R. §22.13(b). EPA and the United States Department of Justice have jointly determined that EPA may pursue this type of case as an administrative penalty action under Section 113(d)(1) of the Act, 42 U.S.C. §7413(d)(1).

ALLEGED VIOLATIONS

On December 8, 2022, EPA conducted an onsite inspection at Respondent's facility, located at 35 Engel Street in Hicksville, New York to determine compliance with the Act's Risk Management Program regulations, promulgated at 40 C.F.R. Part 68 pursuant to Section 112(r) of the Act. Pursuant to the inspection, EPA has determined that Respondent violated the RMP regulations described in the attached Risk Management Program Findings ("Findings"). EPA described the violations in a letter sent by email to Arctic Glacier Hicksville dated November 16, 2023.

SETTLEMENT

In consideration of the penalty assessment factors set forth in Section 113(e) of the Act, 42 U.S.C. §7413(e), and upon consideration of the entire record, the parties enter into the ESA in order to settle the violations described in the Findings for the total penalty amount of **four thousand nine hundred and twenty dollars (\$4,920)**.

For purposes of this proceeding, Respondent agrees to the following: it waives any objections that it may have regarding jurisdiction; it neither admits nor denies the specific factual allegations contained in the Findings; it consents to the assessment of the penalty as stated herein; and it waives its rights to contest the allegations contained herein, or to a hearing afforded by Section 113(d)(2)(A) of the Act, 42 U.S.C. §7413(d)(2)(A), and to appeal this ESA. Each party to this action shall bear its own costs and fees, if any.

Respondent also certifies, subject to civil and criminal penalties for making a false submission to the United States Government, that Respondent has corrected the violations described in the Findings.

After signature, a scanned copy of the signed ESA must be sent by email to Francesco Maimone at the following email address: Maimone.Francesco@epa.gov. The original, signed ESA must be sent by certified mail to:

Francesco Maimone, Physical Scientist
Air Compliance Branch
Enforcement and Compliance Assurance Division
U.S. Environmental Protection Agency, Region 2

The ESA, when executed by both parties and the Regional Judicial Officer and filed with the Regional Hearing Clerk, is binding on EPA and Respondent. Upon such filing and Respondent's timely payment of the penalty, EPA agrees it will not take any further civil penalty action against Respondent for the alleged violations of the Act referenced herein.

Nothing in this ESA shall affect the right of EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law. This ESA does not relieve, extinguish, or otherwise affect Respondent's obligations to comply with all applicable provisions of the Act and regulations promulgated or permits issued thereunder.

If the signed ESA is not returned to EPA Region 2 as instructed herein by Respondent within forty-five (45) days of the date of Respondent's receipt of it (or within ninety (90) days if an extension is requested and granted), the proposed ESA is withdrawn, without any prejudice regarding EPA's ability to file an enforcement action for the alleged violations identified herein.

Respondent agrees to submit a payment in full of \$4,920 within thirty (30) days of the filing of a fully executed copy of this ESA with the Regional Hearing Clerk.
