IV. FINDINGS OF FACTS

17. On March 16, 2021, the EPA issued an Approval to Respondent to operate the ET Tank Farm commercial PCB waste storage and disposal Facility located in Tucker, Georgia pursuant to 40 C.F.R. §§ 761.60(e) and 761.65(d) and Section 6(e)(1) of TSCA. The current Approval expires ten (10) years from the date the Approval became effective.
18. The Approval authorizes the ET Tank Farm Facility to store PCB waste liquids in tanks and to treat and dispose of PCBs by a chemical dechlorination process.
19. On October 7, 2021, authorized agents of the EPA conducted an inspection at ET Tank Farm's Facility pursuant to Section 15 of TSCA, 15 U.S.C. § 2614, to determine the Facility's compliance with the PCB regulations.
20. Condition B.11 of the Approval requires Respondent to maintain the Tank Farm by immediately cleaning up any leaks and/or spills of PCB waste.
21. At the time of the inspection, multiple leaks and/or spills around the outside of flanges, valves, and pumps that contain or carry PCB wastes in the Tank Farm were observed. These leaks and/or spills were captured in pallets, pails, buckets, or other containment devices that are located within the Tank Farm's concrete secondary containment.
22. Immediately cleaning up any leaks and/or spills is required by 40 C.F.R. § 761.65, Approval Condition B.11, and Section 15 of TSCA, 15 U.S.C. § 2614. At the time of the inspection, the inspector saw no evidence that Respondent had taken any actions to clean up the leaks and/or spills observed in the Tank Farm.
23. Condition A.14.e of the Approval requires Respondent to maintain records of maintenance and cleanup.
24. At the time of the inspection, Respondent did not have a written maintenance schedule or records of maintenance and cleaning activities as required by Approval Condition A.14.e and Section 15 of TSCA, 15 U.S.C. § 2614.

V. ALLEGED VIOLATIONS

25. The EPA alleges that Respondent failed to immediately clean up any leaks and/or spills of PCB fluids in the Tank Farm in violation of 40 C.F.R. § 761.65, Approval Condition B.11, and Section 15 of TSCA, 15 U.S.C. § 2614.
26. The EPA alleges that Respondent failed to have a written maintenance schedule or records of maintenance and cleaning activities in violation of Approval Condition A.14.e and Section 15 of TSCA, 15 U.S.C. § 2614.

Accordingly, the EPA may require Respondent to pay the following amounts on any amount overdue:

- a. Interest. Interest will begin to accrue on the civil penalty from the Effective Date of this CAFO. If the civil penalty is paid within 30 days of the Effective Date of this CAFO, Interest is waived. However, if the civil penalty is not paid in full within 30 days of the Effective Date of this CAFO, Interest will continue to accrue on any unpaid portion until the unpaid portion of the civil penalty and accrued Interest are paid. Interest will be assessed at the rate of the United States Treasury tax and loan rate, as established by the Secretary of the Treasury, in accordance with 31 U.S.C. § 3717(a)(1), 31 C.F.R. § 901.9(b)(2), and 40 C.F.R. § 13.11(a).

This non-payment penalty is in addition to charges which accrue or may accrue under subparagraphs (a) and (c) and will be assessed monthly. 40 C.F.R. § 13.11(c).

- c. Monthly Handling Charge. Respondent must pay a late payment handling charge to cover the administrative costs of processing and handling the delinquent claim, based on either actual or average cost incurred. 31 C.F.R. § 901.9(c), and 40 C.F.R. § 13.11(b). Administrative costs will be assessed monthly throughout the period the debt is overdue except as provided by 40 C.F.R. § 13.12.

37. In addition to what is stated in the prior Paragraph, if Respondent fails to timely pay any portion of the penalty assessed under this CAFO, the EPA may:

- a. refer the debt to a credit reporting agency or a collection agency 40 C.F.R. §§ 13.13 and 13.14;
- b. collect the debt by administrative offset (i.e., the withholding of money payable by the United States to, or held by the United States for, a person to satisfy the debt the person owes the Government), which includes, but is not limited to, referral to the Internal Revenue Service for offset against income tax refunds, 40 C.F.R. Part 13, Subparts C and H;
- c. suspend or revoke Respondent's licenses or other privileges, or suspend or disqualify Respondent from doing business with the EPA or engaging in programs the EPA sponsors or funds, 40 C.F.R. § 13.17; and/or

39. This CAFO constitutes a settlement by the EPA of all claims for federal civil penalties pursuant to Section 16(a) of TSCA, 15 U.S.C. § 2615(a), for the specific violations alleged herein.

40. Full payment of the civil penalty, as provided in Section VII (Terms of Payment), shall not in any case affect the right of the EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law. 40 C.F.R. § 22.18(c).

41. Any violation of this CAFO may result in a civil judicial action for civil penalties as provided in Section 16(a) of the Act, 42 U.S.C. § 2615(a), as well as criminal sanctions as provided in Section 16(b) of the Act, 42 U.S.C. § 2615(b). The EPA may use any information submitted under this CAFO in an administrative, civil judicial, or criminal action.

42. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of the Act and other federal, state, or local laws or statutes, nor shall it restrict the EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit, except as expressly provided herein.

43. Nothing herein shall be construed to limit the power of the EPA to undertake any action against Respondent or any person in response to conditions that may present an imminent and substantial endangerment as provided under the Act.
44. The terms, conditions, and compliance requirements of this CAFO may not be modified or amended except upon the written agreement of both (the) Parties, and approval of the Regional Judicial Officer.
45. The provisions of this CAFO shall apply to and be binding upon Respondent and its officers, directors, employees, agents, trustees, authorized representatives, successors, and assigns.
46. Any change in the legal status of Respondent, or change in ownership, partnership, corporate or legal status relating to the Facility, will not in any way alter Respondent's obligations and responsibilities under this CAFO.

Part 2 and the Freedom of Information Act (FOIA) or personally identifiable information.
48. By signing this Consent Agreement, Complainant and the undersigned representative of Respondent each certify that he or she is fully authorized to execute and enter into the terms and conditions of this CAFO and has the legal capacity to bind the party he or she represents to this CAFO.
49. By signing this Consent Agreement, both Parties agree that each party's obligations under this CAFO constitute sufficient consideration for the other party's obligations.
50. By signing this Consent Agreement, Respondent certifies that the information it has supplied concerning this matter was at the time of submission, and continues to be, true, accurate, and complete for each such submission, response, and statement. Respondent acknowledges that there are significant penalties for submitting false or misleading information, including the possibility of fines and imprisonment for knowing submission of such information, under 18 U.S.C. § 1001.
51. The EPA also reserves the right to revoke this CAFO and settlement penalty if and to the extent that the EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to the EPA. If such false or inaccurate material was provided, the EPA reserves the right to assess and collect all civil penalties for any violation described herein. The EPA shall give Respondent notice of its intent to revoke, which shall not be effective until received by Respondent in writing.
52. It is the intent of the parties that the provisions of this CAFO are severable. If any provision or authority of this CAFO or the application of this CAFO to any party or circumstances is held by any judicial or administrative authority to be invalid or unenforceable, the application of such provisions to other parties or circumstances and the remainder of the CAFO shall remain in force and shall not be affected thereby.

53. Unless specifically stated otherwise in this CAFO, each party shall bear its own attorney's fees, costs, and disbursements incurred in this proceeding.
