CONSENT AGREEMENT

I. Statutory Authority

1. This is a civil penalty proceeding pursuant to Section 309(g)(2)(A) of the Clean Water Act ("CWA"), 33 U.S.C. § 1319(g)(2)(A), and the *Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders and the Revocation, Termination or Suspension of Permits*, including Subpart I, published at 64 Fed. Reg. 40176 (July 23, 1999) and codified at 40 Code of Federal Regulations ("C.F.R.") Part 22.

2. The authority to take action under Section 309(g)(2)(A) of the CWA, 33 U.S.C. § 1319(g)(2)(A), is vested in the Administrator of the United States Environmental Protection Agency ("EPA"). The Administrator has delegated this authority to the Regional Administrator, Region 4, who in turn has delegated this authority to the Director of the Water Management Division, who in turn has delegated this authority to the Chief of the Water Programs Enforcement Branch of EPA, Region 4 ("Complainant").

II. Allegations

3. At all times relevant to this action, the Kentucky Transportation Cabinet, Division of Construction is a State agency of the Commonwealth of Kentucky and is, therefore, a "person" within the meaning of Section 502(5) of the CWA, 33 U.S.C. § 1362(5).

4. At all times relevant to this action, Respondent owned and/or operated a construction site known as Covington-Independence Road (KY 17) ("Facility") located in Kenton County, Kentucky.

5. To accomplish the objective of the CWA, defined in Section 101(a) of the CWA, 33 U.S.C. § 1251(a), to restore and maintain the chemical, physical and biological integrity of the nation's waters, Section 301(a) of the CWA, 33 U.S.C. § 1311(a), prohibits the discharge of

pollutants by any person into waters of the United States except as in compliance with a National Pollutant Discharge Elimination System (“NPDES”) permit issued pursuant to Section 402 of the CWA, 33 U.S.C. § 1342.

6. Section 402 of the CWA, 33 U.S.C. § 1342, establishes an NPDES Permit Program authorizing EPA or authorized states to administer the NPDES Permit Program, including the issuance of NPDES permits allowing for the discharge of pollutants, including storm water, into navigable waters subject to specific terms and conditions. EPA has granted the Commonwealth of Kentucky through the Department for Environmental Protection (“KDEP”) approval to issue NPDES permits pursuant to Section 402(b) of the CWA.

7. KDEP issued a *General KPDES Permit for Storm Water Point Source Discharges, Construction Activities* (the Permit), Permit No. KYR10, in accordance with the provisions of the Kentucky Revised Statutes Chapter 224 16-050 and pursuant to 401 KAR 5:055, Sections 1 and 5 and the CWA. The Permit was effective October 1, 2002, and expires September 30, 2007.

8. KDEP is responsible for the issuance, compliance, and enforcement of Kentucky Revised Statutes Chapter 224 16-050 and 40 KAR 5:055, Sections 1 and 5, and the approval of coverage under the Permit upon submission and approval of a Notice of Intent (“NOI”) requesting Permit coverage.

9. On August 15, 2005, Respondent submitted a NOI requesting permit coverage to the KDEP. A Notice of Coverage was sent to Respondent with an effective date of August 17, 2005.

10. Part II of the Permit incorporates 401 KAR 5:065 Section 1 by reference.

A. 401 KAR 5:065 Section 1(4) requires the Permittee to take all reasonable steps to minimize or prevent any discharge in violation of the Permit which has a reasonable likelihood of adversely affecting human health or the environment.

11. Part IV.B.(1) of the Permit requires the Permittee to preserve existing vegetation where possible and to stabilize all disturbed areas within fourteen (14) days on areas of the site where construction activities have permanently or temporarily (for twenty-one (21) days or more) ceased.

12. On May 23, 2006, representatives of EPA in conjunction with the KDEP performed a Compliance Storm Water Evaluation Inspection (“CSWEI”) at Respondent’s Development. EPA’s CSWEI was to evaluate the treatment and disposal of storm water at the Development in accordance with the CWA, the regulations promulgated thereunder at 40 C.F.R. § 122.26, and the KDEP Permit.

13. As a result of the CSWEI, EPA, Region 4 has determined that Respondent discharged storm water associated with industrial activity from its Development within the meaning of Section 402(p) of the CWA, 33 U.S.C. § 1342(p), and its implementing regulations.

14. During the CSWEI, EPA inspectors observed the following:

- A. Respondent failed to take all reasonable steps to minimize or prevent any discharge which has a reasonable likelihood of adversely affecting human health or the environment, as required by Part II of the Permit and 401 KAR 5:065 Section 1(4). Respondent failed to stabilize a 4.5 acre tract of land in the vicinity of the box culvert for a period of four months, while the job was shut down for the winter. Additionally, BMP's were not evident in this same area to prevent sediment from entering the creek.
- B. Respondent failed to stabilize all disturbed areas within fourteen (14) days on areas of the site where construction activities have permanently or temporarily (for twenty-one (21) days or more) ceased.

15. Therefore, Respondent has violated Sections 301 and 402(p) of the CWA, 33 U.S.C. §§ 1311 and 1342(p), by failing to comply with the Permit, and also for discharges not authorized by the Permit.

III. Stipulations and Findings

16. Complainant and Respondent have conferred for the purpose of settlement pursuant to 40 C.F.R. § 22.18 and desire to resolve this matter and settle the allegations described herein without a formal hearing. Therefore, without the taking of any evidence or testimony, the making of any argument, or the adjudication of any issue in this matter, and in accordance with 40 C.F.R. § 22.13(b), this Consent Agreement and Final Order ("CA/FO") will simultaneously commence and conclude this matter.

17. For the purposes of this CA/FO, Respondent admits the jurisdictional allegations set out above and neither admits nor denies the factual allegations set out above.

18. Respondent hereby waives its right to contest the allegations set out above and its right to appeal the Final Order accompanying this Consent Agreement.

19. Respondent consents to the assessment of and agrees to pay the civil penalty as set forth in this CA/FO and consents to the other conditions set forth in this CA/FO.

20. By signing this CA/FO, Respondent certifies that the information it has supplied concerning this matter was at the time of submission, and is, truthful, accurate, and complete for

each such submission, response and statement. Respondent realizes that there are significant penalties for submitting false or misleading information, including the possibility of fines and/or imprisonment for knowing submission of such information.

21. EPA reserves the right to assess and collect any and all civil penalties for any violation described herein to the extent that any information or certification provided by Respondent was materially false or inaccurate at the time such information or certification was provided to EPA.

22. Complainant and Respondent agree to settle this matter by their execution of this CA/FO. The parties agree that the settlement of this matter is in the public interest and that this CA/FO is consistent with the applicable requirements of the CWA.

IV. Payment

23. Pursuant to Section 309(g)(2)(A) of the CWA, 33 U.S.C. § 1319(g)(2)(A), and 40 C.F.R. Part 19, and considering the nature of the violations and other relevant factors, EPA has determined that eight thousand dollars (\$8,000) is an appropriate civil penalty to settle this action.

24. Respondent shall submit payment of the penalty specified in the preceding paragraph within thirty (30) days of the effective date of this CA/FO via a cashier's or certified check, payable to the order of "Treasurer, United States of America." The check shall reference on its face the name of Respondent and the Docket Number of this CA/FO. Such payment shall be tendered to:

U.S. Environmental Protection Agency
Cincinnati Accounting Operations
Mellon Lockbox 371099M
Pittsburgh, PA 15251-7099

25. At the time of payment, Respondent shall send a separate copy of the check, and a written statement that payment has been made in accordance with this CA/FO, to the following persons at the following addresses:

Regional Hearing Clerk
U.S. Environmental Protection Agency - Region 4
61 Forsyth Street, S.W.
Atlanta, GA 30303-8960

and

Mary Mattox
U.S. Environmental Protection Agency-Region 4
Water Programs Enforcement Branch
Water Management Division
61 Forsyth Street, S.W.
Atlanta, GA 30303-8960

26. The penalty amount specified above shall represent civil penalties assessed by EPA and shall not be deductible for purposes of federal taxes.

27. Pursuant to 40 C.F.R. Part 13 and 31 U.S.C. § 3717 et seq., if EPA does not receive payment of the penalty assessed by this CA/FO in full by its due date, interest shall accrue on the unpaid balance from the due date through the date of payment at an annual rate equal to the rate of the current value of funds to the United States Treasury as prescribed and published by the Secretary of the Treasury. If all or part of the payment is overdue, EPA will assess a late-payment handling charge of \$15.00, with an additional delinquent notice charge of fifteen dollars (\$15.00) for each subsequent thirty (30) day period. EPA will also assess on a monthly basis an up to six percent (6%) per annum penalty on any principal amount not paid within ninety (90) days of the due date.

28. Pursuant to Section 309(g)(9) of the CWA, 33 U.S.C. § 1319(g)(9), failure by Respondent to pay the penalty assessed by the CA/FO in full by its due date may subject Respondent to a civil action to collect the assessed penalty plus interest (at currently prevailing rates from the effective date of this CA/FO), attorney's fees, costs for collection proceedings and a quarterly nonpayment penalty for each quarter during which such failure to pay persists. Such nonpayment penalty shall be in an amount equal to twenty percent (20%) of the aggregate amount of such penalty and nonpayment penalty which are unpaid as of the beginning of such quarter. In any such collection action, the validity, amount and appropriateness of the penalty and of this CA/FO shall not be subject to review.

V. General Provisions

29. This CA/FO shall not relieve Respondent of its obligation to comply with all applicable provisions of federal, state, or local law, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit. Other than as expressed herein, compliance with this CA/FO shall not be a defense to any actions subsequently commenced pursuant to federal laws and regulations administered by EPA.

30. Nothing in this CA/FO shall be construed as prohibiting, altering, or in any way limiting the ability of the United States to seek any other remedies or sanctions available by virtue of Respondent's violation of this CA/FO or of the statutes and regulations upon which this CA/FO is based, or for Respondent's violation of any federal or state statute, regulation or permit.

31. Except as otherwise set forth herein, this CA/FO constitutes a settlement by Complainant and Respondent of all claims for civil penalties pursuant to the CWA with respect to only those violations alleged in this CA/FO. Except as otherwise set forth herein, compliance with this CA/FO shall resolve the allegations of violations contained herein. Nothing in this CA/FO is intended to nor shall be construed to operate in any way to resolve any criminal liability of Respondent, or other liability resulting from violations that were not alleged in this CA/FO. Other than as expressed herein, Complainant does not waive any right to bring an enforcement action against Respondent for violation of any federal or state statute, regulation or permit, to initiate an action for imminent and substantial endangerment, or to pursue criminal enforcement.

32. Each undersigned representative of the parties to this CA/FO certifies that he or she is fully authorized to enter into the terms and conditions of this CA/FO and to execute and legally bind that party to it.

33. This CA/FO applies to and is binding upon Respondent and its officers, directors, employees, agents, successors and assigns.

34. Any change in the legal status of Respondent, including but not limited to any transfer of assets of real or personal property, shall not alter Respondent's responsibilities under this CA/FO.

35. Each party shall bear its own costs and attorneys fees in connection with the action resolved by this CA/FO.
