Part 22 (with specific reference to 40 C.F.R. §§ 22.13(b) and 22.18(b)(2) and (3)).
2. EPA finds that Respondent was subject to the “Renovation, Repair and Painting” (“RRP”) Rule set forth at 40 C.F.R. 6. Respondent agrees not to contest the jurisdiction of EPA with respect to the execution of this Agreement, the issuance of the attached Final Order, or the enforcement of this Agreement.
7. For purposes of this proceeding only, Respondent hereby expressly waives any right to contest any issue of law or fact set forth in this Agreement and any right to appeal the attached Final Order.
8. Respondent consents to the issuance of this Agreement and agrees to comply with its terms and conditions.
9. Each Party to this Agreement shall bear its own costs and attorney's fees.
10. Section 16(a) of TSCA, 15 U.S.C. § 2615(a), as amended by the Debt Collection Improvement Act of 1996, 31 U.S.C. § 3701, and 40 C.F.R. Part 19, authorizes assessment of a civil penalty of up to \$37,500 per day, per violation, for violations occurring on or after January 13, 2009.
11. The parties enter into this Agreement in order to settle the civil violations alleged above. Pursuant to TSCA and the Consolidated Rules of Practice, based on the nature of the violations, and other relevant factors, EPA has determined an appropriate civil penalty to settle this action is **\$4,000**.
12. Respondent agrees that within 30 days of the effective date of this Agreement (the date it is filed with the Regional Hearing Clerk), Respondent shall submit a check with the case name, address and docket number of this Agreement (TSCA-03-2013-0097), for the amount specified above, payable to "**United States Treasury**," U.S. Environmental Protection Agency, Fines and Penalties, Cincinnati Finance Center, P.O. 14. This Agreement settles EPA's civil penalty claims against Respondent for the violations specified above. EPA does not waive its right to take enforcement action against Respondent for any other past, present, or future violations of the RRP Rule, TSCA or any other federal statute or regulation.

15. Nothing in this Agreement is intended to, nor shall be construed to operate in any way to resolve, any criminal liability of Respondent, and nothing in this Agreement shall be construed to limit EPA's authority to undertake any action against Respondent in response to conditions that may present an imminent and substantial endangerment.

16. If Respondent does not sign and return this Agreement **within 20 days** of the date of its receipt, this proposed Agreement is withdrawn without prejudice to EPA's ability to file any other enforcement action for the violations identified herein.
