CONSENT AGREEMENT AND FINAL ORDER

Preliminary Statement

The U.S. Environmental Protection Agency, Region 7 (“EPA” or “Complainant”), and FreeseCorp, Inc. dba CertaPro Painters of Madison County, IL, Webster Groves & Florissant, MO. (“Respondent”) have agreed to a settlement of this action before the filing of a complaint, and thus this action is simultaneously commenced and concluded pursuant to Rules 22.13(b) and 22.18(b)(2) of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits, 40 C.F.R. §§ 22.13(b) and 22.18(b)(2).

Jurisdiction

1. This proceeding is an administrative action for the assessment of civil penalties initiated pursuant to Section 16(a) of the Toxic Substances Control Act (“TSCA”), 15 U.S.C. § 2615(a).

2. This Consent Agreement and Final Order serves as notice that the EPA has reason to believe that Respondent has violated Section 409 of TSCA, 15 U.S.C. § 2689, by failing to comply with the regulatory requirements of 40 C.F.R. Part 745, Subpart E, *Lead-Based Paint Renovation, Repair and Painting Rule*, promulgated pursuant to 15 U.S.C. §§ 2682, 2686 and 2687.

Parties

3. Complainant is the Chief of the Chemical Branch, Enforcement and Compliance Assurance Division, Region 7, as duly delegated by the Administrator of EPA.

4. Respondent is FreeseCorp, Inc., dba CertaPro Painters of Madison County, IL, Webster, Groves & Florissant, MO, a company in good standing under the laws of the state of Illinois.

Statutory and Regulatory Background

5. Congress passed the Residential Lead-Based Paint Hazard Reduction Act of 1992 (the “Act”), 42 U.S.C. §§ 4851 to 4856, to address the need to control exposure to lead-based paint hazards. One of the stated purposes of the Act is to implement a broad program to reduce lead-based paint hazards in the Nation’s housing stock. 42 U.S.C. § 4851a(2). The Act amended TSCA by adding *Title IV—Lead Exposure Reduction*, Sections 401 to 412, 15 U.S.C. §§ 2681 to 2692.

6. Section 402 of TSCA, 15 U.S.C. § 2682, requires that the Administrator of EPA promulgate regulations governing the training and certification of individuals and contractors engaged in lead-based paint activities, including renovation of target housing. Section 406 of TSCA, 15 U.S.C. § 2686, requires that the Administrator of EPA promulgate regulations requiring persons who perform for compensation a renovation of target housing to provide a lead hazard information pamphlet to the owner and occupant prior to commencing the renovation. Section 407 of TSCA, 15 U.S.C. § 2687, requires that the regulations promulgated pursuant to the TSCA include recordkeeping and reporting requirements to insure effective implementation.

7. Pursuant to Section 402(a) of TSCA, 15 U.S.C. § 2682(a), the EPA promulgated regulations at 40 C.F.R. Part 745, Subpart L, *Lead Based Paint Activities*. See Lead; Requirements for Lead-Based Paint Activities in Target Housing and Child-Occupied Facilities, 61 Fed. Reg. 45778, 45813 (Aug. 29, 1996). Pursuant to Section 406(b) and Section 407 of TSCA, 15 U.S.C. § 2686(b) and 2687, the EPA promulgated regulations at 40 C.F.R. Part 745, Subpart E, *Residential Property Renovation*. See Lead; Requirements for Hazard Education Before Renovation of Target Housing, 63 Fed. Reg. 29908, 29919 (June 1, 1998). Finally, pursuant to Section 402(c)(3) of TSCA, 15 U.S.C. § 2682(c)(3), the EPA amended and re-codified regulations at 40 C.F.R. Part 745, Subparts E and L, and added additional regulations at 40 C.F.R. Subpart L (“Renovation, Repair, and Painting Rule”). See Lead; Renovation, Repair, and Painting Program, 73 Fed. Reg. 21692, 21758 (Mar. 31, 2008).

8. The regulations set forth at 40 C.F.R. Part 745, Subpart E, *Residential Property Renovation*, including the Renovation, Repair, and Painting Rule, require that owners and occupants of target housing and child-occupied facilities receive information on lead-based paint hazards before renovations begin, establish work practice standards for renovations that disturb painted surfaces in target housing and child-occupied facilities and requires that firms and individuals performing, offering, or claiming to perform such renovations are properly trained and obtain EPA certification.

9. The requirements set forth in the regulations at 40 C.F.R. Part 745, Subpart E, *Residential Property Renovation*, apply to all renovations performed for compensation in target housing and child-occupied facilities, unless otherwise excluded as set forth in 40 C.F.R. § 745.82.

10. The regulation at 40 C.F.R. § 745.83 defines “renovation” as the modification of any existing structure, or portion thereof, that results in the disturbance of painted surfaces, unless that activity is performed as part of an abatement as defined by 40 C.F.R. § 745.223. The term renovation includes, but is not limited to, the removal, modification, or repair of painted surfaces or painted components (*e.g.*, modification of painted doors, surface restoration, window repair, surface preparation activity (such as sanding, scraping, or other such activities that may generate paint dust)); the removal of building components (*e.g.*, walls, ceilings, plumbing, windows); weatherization projects (*e.g.*, cutting holes in painted surfaces to install blown-in insulation or to gain access to attics, planing thresholds to install weather stripping); and interim controls that disturb painted surfaces.

11. Section 401(17) of TSCA, 15 U.S.C. § 2681(17), defines “target housing” as any housing constructed prior to 1978, except housing for the elderly or persons with disabilities or any zero-bedroom dwelling (unless any child who is less than six years of age resides or is expected to reside in such housing).

12. The regulation at 40 C.F.R. § 745.83 defines “firm” as a company, partnership, corporation, sole proprietorship or individual doing business, association, or other business entity; a Federal, State, Tribal, or local government agency; or a nonprofit organization.

13. The regulation at 40 C.F.R. § 745.83 defines “person” as any natural or judicial person including any individual, corporation, partnership, or association; any Indian Tribe, State, or political subdivision thereof; any interstate body; and any department, agency, or instrumentality of the Federal Government.

14. The regulation at 40 C.F.R. § 745.87(a) provides that failure or refusal to comply with any provision of 40 C.F.R. Part 745, Subpart E, is a violation of Section 409 of TSCA, 15 U.S.C. § 2689. Section 409 of TSCA, 15 U.S.C. § 2689, provides that it shall be unlawful for any person to fail to comply with, *inter alia*, any provision of 40 C.F.R. Part 745, Subpart E.

15. Section 16(a) of TSCA, 15 U.S.C. § 2615(a), as amended, and 40 C.F.R. § 745.87(d), authorize a civil penalty of not more than \$37,500 per day for violations of Section 409 of TSCA, 15 U.S.C. § 2689. The Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015, 28 U.S.C. § 2461, and implementing regulations at 40 C.F.R. Part 19, increased these statutory maximum penalties to \$43,611 for violations that occur after November 2, 2015, and for which penalties are assessed on or after January 12, 2022.

General Factual Allegations

16. On or about January 19, 2021 and May 10, 2021, and pursuant to Section 11 of TSCA, 15 U.S.C. § 2610, representatives of the EPA issued Information Request Letters (IRL) to CertaPro to evaluate Respondent’s compliance with TSCA and the requirements of the Renovation, Repair, and Painting Rule (“EPA IRLs”).

17. Respondent is, and at all times referred to herein was, a business doing business in the state of Missouri under CertaPro Painters of Madison County, IL., Webster, Groves & Florissant, Missouri.

18. Respondent, at all times referred to herein, was a “person” and “firm” as defined by 40 C.F.R. § 745.83.

19. At the time of the EPA inspection, and at all times relevant to this Consent Agreement and Final Order, Respondent was engaged in “renovations” as defined by 40 C.F.R. § 745.83.

20. At all times relevant to this Consent Agreement and Final Order, Respondent’s renovations were “renovations for compensation” per 40 C.F.R. § 745.82(a).

21. At all times relevant to this Consent Agreement and Final Order, the following properties (“Properties”) were “target housing” as defined by Section 401(17) of TSCA, 15 U.S.C. § 2681(17):

- (a) 15 Washington Terrace in St. Louis, Missouri. This property was constructed in 1913;
- (b) 6137 Westminster Place in St. Louis, Missouri. This property was constructed in 1907;
- (c) 12665 Forestedge in St. Louis, Missouri. This property was constructed in 1973;
- (d) 12124 Spanish Blvd. in St. Louis, Missouri. This property was constructed in 1963; and
- (e) 1809 Lake Mont Lane in North County, Missouri. This property was constructed in 1971.

22. As a result of the EPA inspection and additional information obtained by the agency, Complainant has determined that violations of the Renovation, Repair, and Painting Rule, 40 C.F.R. Part 745, Subpart E, and Section 409 of TSCA, 15 U.S.C. § 2689, occurred as a result of Respondent’s renovation activities at the Properties.

Allegations of Violation

23. Complainant hereby states and alleges that Respondent has violated TSCA and federal regulations promulgated thereunder as follows:

Counts 1-5

24. The facts stated in Paragraphs 16 through 22 above are herein incorporated.

25. Pursuant to 40 C.F.R. § 745.84(a)(1)(i), firms that perform renovations obtain from the owner a written acknowledgment that the owner has received the pamphlet or obtain a certificate of mailing at least seven days prior to the renovation.

26. The IRL responses revealed that Respondent failed to obtain from the owners a written acknowledgment that the owner has received the pamphlet or a certificate of mailing at least seven days prior to the renovation at each of the Properties.

27. Respondent's failure to obtain from the owners a written acknowledgment that the owner has received the pamphlet or a certificate of mailing at least seven days prior to the renovation at each of the Properties prior to performance of the renovation on the Properties is a violation of 40 C.F.R. § 745.84(a)(1)(i). Respondent, therefore, violated Section 409 of TSCA, 15 U.S.C. § 2689.

Count 6 - 10

28. The facts stated in Paragraphs 16 through 22 above are herein incorporated.

29. Pursuant to 40 C.F.R. § 745.86, firms performing renovations must retain records documenting compliance with the requirements of 40 C.F.R. 745.85(a) & (b).

30. The EPA inspection revealed that Respondent failed to retain records documenting compliance with the requirements of 40 C.F.R. 745.85(a) & (b) for all of the Properties.

31. Respondent's failure to retain records documenting compliance with the requirements of 40 C.F.R. 745.85(a) & (b) is a violation of 40 C.F.R. § 745.86. Respondent, therefore, violated Section 409 of TSCA, 15 U.S.C. § 2689.

CONSENT AGREEMENT

32. For the purpose of this proceeding, as required by 40 C.F.R. § 22.18(b)(2), Respondent:

- (a) admits the jurisdictional allegations set forth herein;
- (b) neither admits nor denies the specific factual allegations stated herein;
- (c) consents to the assessment of a civil penalty, as stated herein;
- (d) consents to the issuance of any specified compliance or corrective action order;
- (e) consents to any conditions specified herein;
- (f) consents to any stated Permit Action;
- (g) waives any right to contest the allegations set forth herein; and

(h) waives its rights to appeal the Final Order accompanying this Consent Agreement.

33. Respondent consents to the issuance of this Consent Agreement and Final Order and consents for the purposes of settlement to the payment of the civil penalty specified herein.

34. Respondent and EPA agree to conciliate this matter without the necessity of a formal hearing and to bear their respective costs and attorneys' fees.

35. The parties consent to service of this Consent Agreement and Final Order electronically at the following e-mail addresses: *trotter.jennifer@epa.gov* for Complainant and *efreese@certapro.com* and *erica@weinheimerlaw.com* for Respondent. Respondent understands that the Consent Agreement and Final Order will become publicly available upon filing.

Penalty Payment

36. The EPA has considered the appropriateness of the penalty pursuant to Section 16(a)(2)(B) of TSCA, 15 U.S.C. 2615(a)(2)(B), and has determined that the appropriate penalty for the violations is \$18,493.00. This penalty has been adjusted to reflect Respondent's size of business. However, pursuant to the statutory requirement that EPA consider a Respondent's ability to pay, Respondent has demonstrated that it is unable to pay any penalty in this matter. Because of Respondent's inability to pay the penalty, therefore, Complainant conditionally agrees to resolve the claims alleged herein.

Effect of Settlement and Reservation of Rights

37. Full payment of the penalty proposed in this Consent Agreement shall only resolve Respondent's liability for federal civil penalties for the violations alleged herein. Complainant reserves the right to take any enforcement action with respect to any other violations of TSCA or any other applicable law.

38. The effect of settlement described in the immediately preceding paragraph is conditioned upon the accuracy of Respondent's representations to the EPA, as memorialized in paragraph directly below.

39. Respondent certifies by the signing of this Consent Agreement that it is presently in compliance with all requirements of TSCA and its implementing regulations.

40. Full payment of the penalty proposed in this Consent Agreement shall not in any case affect the right of the Agency or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law. This Consent Agreement and Final Order does not waive, extinguish or otherwise affect Respondent's obligation to comply with all applicable provisions of TSCA and regulations promulgated thereunder.

41. Complainant reserves the right to enforce the terms of this Consent Agreement and Final Order.

42. This Consent Agreement and Final Order constitutes a “prior such violation” as that term is used in EPA’s Interim Final Consolidated Enforcement Response and Penalty Policy for the Pre-Renovation Education Rule; Renovation, Repair and Painting Rule; and Lead-Based Paint Activities Rule to determine Respondent’s “history of prior such violations” under Section 16(a)(2)(B) of TSCA, 15 U.S.C. § 2615(a)(2)(B).

General Provisions

43. By signing this Consent Agreement, the undersigned representative of Respondent certifies that he or she is fully authorized to execute and enter into the terms and conditions of this Consent Agreement and has the legal capacity to bind the party he or she represents to this Consent Agreement.

44. This Consent Agreement shall not dispose of the proceeding without a final order from the Regional Judicial Officer or Regional Administrator ratifying the terms of this Consent Agreement. This Consent Agreement and Final Order shall be effective upon the filing of the Final Order by the Regional Hearing Clerk for EPA, Region 7. Unless otherwise stated, all time periods stated herein shall be calculated in calendar days from such date.

45. The penalty specified herein shall represent civil penalties assessed by EPA and shall not be deductible for purposes of Federal, State and local taxes.

46. This Consent Agreement and Final Order shall apply to and be binding upon Respondent and Respondent’s agents, successors and/or assigns. Respondent shall ensure that all contractors, employees, consultants, firms, or other persons or entities acting for Respondent with respect to matters included herein comply with the terms of this Consent Agreement and Final Order.
