CONSENT AGREEMENT AND FINAL ORDER

The U.S. Environmental Protection Agency (EPA), Region 7 and Line Construction Company, have agreed to a settlement of this action before filing of a Complaint, and thus this action is simultaneously commenced and concluded pursuant to Rules 22.13(b) and 22.18(b)(2) of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Renovation, Termination or Suspension of Permits (Consolidated Rules), 40 C.F.R. §§ 22.13(b) and 22.18(b)(2).

Section I

Jurisdiction

1. This proceeding is an administrative action for the assessment of civil penalties instituted pursuant to Section 16(a) of the Toxic Substances Control Act (TSCA), 15 U.S.C. § 2615(a).

2. This Consent Agreement and Final Order (CAFO) serves as notice that EPA has reason to believe that Respondent has violated Section 409 of TSCA, 15 U.S.C. § 2689, by failing to comply with the regulatory requirements of 40 C.F.R. Part 745, Subpart E, *Lead-*

Based Paint Renovation, Repair and Painting Rule, (RRP Rule) promulgated pursuant to 15 U.S.C. §§ 2682, 2686 and 2687.

Section II

Parties

3. The Complainant, by delegation from the Administrator of EPA and the Regional Administrator, EPA, Region 7, is the Chief, Toxics and Pesticides Branch, EPA, Region 7.

4. The Respondent is Line Construction Company, a business in good standing under the laws of the state of Missouri and registered as a foreign business in the state of Kansas.

Section III

Statutory and Regulatory Background

5. Congress passed the Residential Lead-Based Paint Hazard Reduction Act of 1992 (the Act), 42 U.S.C. §§ 4851 to 4856, to address the need to control exposure to lead-based paint hazards. The Act amended TSCA by adding Sections 401 to 412, 15 U.S.C. §§ 2681 to 2692.

6. On June 1, 1998, EPA promulgated information distribution and record keeping requirements codified at 40 C.F.R. Part 745, Subpart E, *Requirements for Hazard Education Before Renovation of Target Housing* (Pre-Renovation Education Rule or PRE Rule) pursuant to 15 U.S.C. § 2686. On April 22, 2008, EPA amended and re-codified the PRE Rule information distribution and recordkeeping requirements and promulgated additional regulations at 40 C.F.R. Part 745, Subpart E, *Lead-Based Paint Renovation, Repair and Painting Rule* (RRP Rule) pursuant to 15 U.S.C. §§ 2682, 2686 and 2687. The regulations aimed to protect the public from lead-based paint hazards associated with renovation, repair and painting activities. Under the RRP Rule, each person or firm who performs for compensation a renovation of target housing or a child-occupied facility must be trained and certified by an EPA accredited training provider to

conduct renovation, remodeling and/or painting activities. Firms and individuals performing renovation, repair and painting projects for compensation that disturb lead-based paint must use certified renovators who follow specific work practices to prevent lead contamination. Prior to the start of renovation, the firm or individual performing the renovation must provide the owners and occupants of the target housing units subject to regulated renovation, repair, and/or painting a copy of the U.S. Environmental Protection Agency-approved *Renovate Right: Important Lead Hazard Information for Families, Child Care Providers and Schools* pamphlet (“the lead hazard information pamphlet”), and maintain written acknowledgment that the lead hazard information pamphlet has been provided. Section 402 of TSCA, 15 U.S.C. § 2682, requires that the Administrator of EPA promulgate regulations regarding the activities of individuals and contractors engaged in lead-based paint activities, including renovation of residences built prior to 1978, and regulations for the certification of such individuals and contractors.

7. EPA promulgated regulations regarding lead-based paint activities, including renovation of residences built prior to 1978, and regulations for the certification of individuals and firms who are involved in these activities. These regulations are found within 40 C.F.R. Part 745, Subpart E.

8. Section 406 of TSCA, 15 U.S.C. § 2686, requires that the Administrator of EPA promulgate regulations to require each person who performs for compensation a renovation of target housing to provide the lead hazard information pamphlet to the owner and occupant of such housing prior to commencing the renovation.

9. EPA promulgated regulations requiring each person who performs for compensation a renovation of target housing to provide the lead hazard information pamphlet to the owner and occupant of such housing prior to commencing the renovation. These regulations are found

within 40 C.F.R. Part 745, Subpart E.

10. The term *target housing* means “any housing constructed prior to 1978, except housing for the elderly or persons with disabilities (unless any child who is less than six (6) years of age resides or is expected to reside in such housing) or any zero-bedroom dwelling.” 15 U.S.C. § 2681(17).

11. The term *renovation* means “the modification of any existing structure, or portion thereof, that results in the disturbance of painted surfaces, unless that activity is performed as part of an abatement as defined by this part (40 C.F.R. § 745.223). The term renovation includes (but is not limited to) : The removal, modification or repair of painted surfaces or painted components (e.g., modification of painted doors, surface restoration, window repair, surface preparation activity (such as sanding, scraping, or other such activities that may generate paint dust)); the removal of building components (e.g., walls, ceilings, plumbing, windows); weatherization projects (e.g., cutting holes in painted surfaces to install blown-in insulation or to gain access to attics, planning thresholds to install weather-stripping), and interim controls that disturb painted surfaces. A renovation performed for the purpose of converting a building, or part of a building, into target housing or a child-occupied facility is a renovation under this subpart. The term renovation does not include minor repair and maintenance activities.” 40 C.F.R. § 745.83.

12. The term *firm* means “a company, partnership, corporation, sole proprietorship or individual doing business, association, or other business entity; a Federal, State Tribal, or local government agency; or a nonprofit organization.” 40 C.F.R. § 745.83.

13. 40 C.F.R. § 745.89(a)(1) states that: “Firms that perform renovations for compensation must apply to EPA for certification to perform renovations or dust sampling.”

14. Pursuant to 40 C.F.R. § 745.86(b)(6), certain records must be retained including, but not limited to, documentation of compliance with the work practice requirements and documentation that a certified renovator was assigned to the project.

15. The “Work Practice Standards” that must be followed by firms performing renovations on target housing are set forth at 40 C.F.R. § 745.85. Additionally, firms performing renovations on target housing must also comply with the following:

- a. Information distribution requirements. Not more than 60 days before beginning renovation activities in any residential dwelling unit of target housing, the firm performing the renovation must provide the owner of the unit with the pamphlet, and comply with one of the following: obtain, from the owner, a written acknowledgment that the owner has received the pamphlet; or obtain a certificate of mailing at least 7 days prior to the renovation. 40 C.F.R. § 745.84(a)(1).
- b. Recordkeeping and Reporting Requirements. “Firms performing renovations must retain and, if requested, make available to EPA all records necessary to demonstrate compliance with this subpart for a period of 3 years following completion of the renovation.” 40 C.F.R. § 745.86.

16. Failure to comply with any provision of 40 C.F.R. Part 745, Subpart E (RRP Rule) violates Section 409 of TSCA, 15 U.S.C. § 2689, which may subject the violator to administrative penalties under Section 16(a) of TSCA, 15 U.S.C. § 2615(a) and 40 C.F.R. § 745.87(d).

17. Section 16(a) of TSCA, 42 U.S.C. § 2615, and 40 C.F.R. § 745.87(d), authorize the EPA Administrator to assess a civil penalty of up to \$25,000 for each violation of Section

409 of TSCA. Each day that such a violation continues constitutes a separate violation of Section 15 of TSCA, 15 U.S.C. § 2614. The Debt Collection Improvement Act of 1996, 31 U.S.C. § 3701, and its implementing regulations at 40 C.F.R. Part 19, increased these statutory maximum penalties to \$37,500 for violations that occurred after January 12, 2009.

Section IV

General Factual Allegations

18. Respondent is, and at all times referred to in this Consent Agreement was, a “firm” and a “person” within the meaning of TSCA.

19. Respondent acted as General Contractor on renovations that occurred at:

- a. 800 SW 56th Street, Kansas City, Missouri – built in 1917;
- b. 1254 Huntington Road, Kansas City, Missouri – built in 1927;
- c. 5012 Summit Street, Kansas City, Missouri – built in 1927;
- d. 1014 Arno Road Kansas City, Missouri – built in 1936;
- e. 9001 Grand, Kansas City, Missouri – built in 1963.

Each renovation included regulated RRP activities.

20. On July 21, 2014, pursuant to its authority under Section 11 of TSCA, 15 U.S.C. § 2610, a representative of the United States Environmental Protection Agency, Region 7 conducted a records inspection of Line Construction Company’s “renovation” activities, as defined by C.F.R. § 745.83, performed at Line Construction Company’s corporate office located at 9119 Barton Street, Overland Park, Kansas.

21. Each residence listed in paragraph 20 was constructed before 1978.

22. The residences listed in paragraph 20 are “target housing” as defined by 15 U.S.C. § 2681(17).

23. The EPA inspection found that the Respondent had failed to retain all records demonstrating compliance with RRP Rules for three (3) years following completion of each renovation activity.

24. After the time of the EPA inspection, the EPA learned that children ages 5 and 9 years old were present at the 800 SW 56th Street, Kansas City, Missouri target housing residence and that no children were present or lived at the other target housing residences during the time of the renovation activities.

Violations

25. The Complainant hereby states and alleges that Respondent has violated TSCA and federal regulations promulgated thereunder, as follows:

Count 1

26. The facts stated in Paragraphs 18 through 24 above are herein incorporated.

27. At the time of the EPA inspection, it was discovered that Respondent did not apply for and obtain EPA certification prior to commencing the renovation for compensation on the Target Housing, which is a violation of 40 C.F.R. §§ 745.81(a)(2)(ii) and 745.89(a)(1)

28. Respondent's failure to perform the act described above is a violation of Section 409 of TSCA, 15 U.S.C. § 2689, and thus Respondent is subject to civil penalties under Section 16 of TSCA, 15 U.S.C. § 2615.

Counts 2 thru 6

29. The facts stated in Paragraphs 19 through 25 above are herein incorporated.

30. At the time of the EPA inspection, it was discovered that Respondent as a renovation firm, failed to retain all records necessary to demonstrate compliance with RRP Rules

for three (3) years following the completion of the renovation activities performed at each Target Housing residence, which is a violation of 40 C.F.R. § 745.86(a).

31. Respondent's failure to perform the act described above is a violation of Section 409 of TSCA, 15 U.S.C. § 2689, and thus Respondent is subject to civil penalties under Section 16 of TSCA, 15 U.S.C. § 2615.

Counts 7 thru 11

32. The facts stated in Paragraphs 18 through 24 above are herein incorporated.

33. At the time of the EPA inspection, it was discovered that Respondent as a renovation firm failed to provide owner of each Target Housing residence with the EPA approved lead hazard information pamphlet, in violation of 40 C.F.R. § 745.84(a)(1).

34. Respondent's failure to perform the act described above is a violation of Section 409 of TSCA, 15 U.S.C. § 2689, and thus Respondent is subject to civil penalties under Section 16 of TSCA, 15 U.S.C. § 2615.

Section V

Consent Agreement

35. For purposes of this proceeding, Respondent admits the jurisdictional allegations set forth above.

36. Respondent neither admits nor denies the factual allegations set forth above.

37. Respondent waives its right to contest any issue of fact or law set forth above and its right to appeal the Final Order accompanying this Consent Agreement.

38. Respondent and EPA agree to conciliate this matter without the necessity of a formal hearing and to bear their respective costs and attorney's fees.

39. Respondent consents to the issuance of the Final Order hereinafter recited and consents to the payment of a civil penalty as specified in Paragraph 1 of the Final Order.

40. Respondent certifies by the signing of this CAFO that it is presently in compliance with all requirements of 40 C.F.R. Part 745, Subpart E.

41. The effect of settlement described in the following Paragraph is conditioned upon the accuracy of Respondent's representations to EPA, as memorialized in the immediately preceding Paragraph of this CAFO.

42. Respondent agrees that, in settlement of the claims alleged in this CAFO, Respondent shall pay a mitigated penalty of Thirty Three Thousand, Six Hundred and Forty Two Dollars (\$33,642.00) as set forth in Paragraph 1 of the Final Order. Payment of this civil penalty in full shall resolve all civil and administrative claims for all violations of Section 409 of TSCA, 15 U.S.C. 2689 and 40 C.F.R. Subpart E alleged in this document.

43. Respondent understands that its failure to timely pay any portion of the mitigated civil penalty described in Paragraph 1 of the Final Order below and Paragraph 42 above may result in the commencement of a civil action in Federal District Court to recover the full remaining balance, along with penalties and accumulated interest. In such case, interest shall accrue thereon at the applicable statutory rate on the unpaid balance until such mitigated civil penalty and any accrued interest are paid in full. A late payment handling charge of \$15 will be imposed after thirty (30) days and an additional \$15 will be charge for each subsequent thirty (30) day period. Additionally, as provided by 31 U.S.C. § 3717(e)(2), a six percent (6%) per annum penalty (late charge) may be assessed on any amount not paid within ninety (90) days of the due date.

Section VI

Final Order

Pursuant to the provisions of the Toxic Substances Control Act (TSCA), 15 U.S.C. §§ 2601-2692, and based upon the information set forth in the Consent Agreement accompanying this Final Order, **IT IS HEREBY ORDERED THAT:**
