Insecticide, Fungicide, and Rodenticide  
Act, 7 U.S.C. § 1361(a)

---

Docket No. FIFRA-02-2021-5076

**Consent Agreement**

1. This is an administrative action commenced and concluded under Section 14(a) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), 7 U.S.C. § 1361(a), and Sections 22.13(b) and 22.18(b)(2) and (3) of the *Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (CROP)* as codified at 40 C.F.R. Part 22. Pursuant to Section 22.13(b) of the Consolidated Rules of Practice, where the parties agree to settlement of one or more causes of action before the filing of an administrative complaint, a proceeding may be simultaneously commenced and concluded by the issuance of a Consent Agreement and Final Order pursuant to 40 C.F.R. §§ 22.18(b)(2) and (3).

2. The Complainant is the Director of the Enforcement and Compliance Assurance Division, United States Environmental Protection Agency (EPA), Region 2.

3. Respondent is Porex Cleanroom Products, Inc., a Massachusetts corporation, located at 2255 Westover Road, Chicopee, MA 01022.

4. The parties agree that settling this action without the filing of a Complaint or the adjudication of any issue of fact or law is in their interest and in the public interest.

5. Respondent consents to the assessment of the civil penalty specified in this Consent

Agreement and Final Order (CAFO) and to the terms of this CAFO.

**Jurisdiction and Waiver of Right to Hearing**

6. Respondent admits the jurisdictional allegations in this CAFO and neither admits nor denies the factual allegations in this CAFO.

7. Respondent waives its right to request a hearing as provided at 40 C.F.R. § 22.15(c), and any rights it may have to contest the allegations in this CAFO or to appeal this CAFO.

**Statutory and Regulatory Background**

8. The importation of pesticides into the United States is governed by Sections 17(c) and (e) of FIFRA, 7 U.S.C. §§ 136o(c) and 136o(e), and the regulations promulgated thereunder by the Secretary of the Treasury in consultation with the Administrator of the EPA (the Administrator). These regulations are found at 19 C.F.R. Part 12.

9. Section 17(e) of FIFRA, 7 U.S.C. § 136o(e), and 19 C.F.R § 12.1(b) provide that the regulations for the importation of pesticides and devices are joint regulations enforceable by the cooperating agencies.

10. Nineteen C.F.R. § 12.112 states, in pertinent part, that an importer desiring to import pesticides into the United States shall submit to the Administrator a Notice of Arrival (“NOA”) of Pesticides or Devices (EPA Form 3540-1) prior to the arrival of the shipment to the United States. See also Section 17(c) of FIFRA, 7 U.S.C. § 136o(c).

11. Section 12(a)(2)(N) of FIFRA, 7 U.S.C. § 136j(a)(2)(N), states in relevant part that it is unlawful for any person who is a distributor to fail to file required reports.

12. Nineteen C.F.R. § 12.111 states that all imported pesticides are required to be registered under the provisions of Section 3 of FIFRA, 7 U.S.C. § 136a, and under the

regulations promulgated thereunder by the Administrator before being permitted entry into the United States. These regulations are found at 40 C.F.R. Parts 152 and 156.

13. Nineteen C.F.R. § 12.115 states in pertinent part that if the EPA so directs, a shipment of pesticides or devices will be detained by the port director pending an examination by the Administrator to determine whether the shipment complies with the requirements of the Act.

14. Section 2(u)(1) of FIFRA, 7 U.S.C. § 136(u)(1) defines a pesticide as “any substance or mixture of substances intended for preventing, destroying, repelling, or mitigating any pest.”

15. Forty C.F.R. § 152.15(a)(1) states that, “a substance is considered to be intended for a pesticidal purpose and thus to be a pesticide requiring registration, if the person who distributes or sells the substance claims, states, or implies (by labeling or otherwise) that the substance (either by itself or in combination with any other substance) can or should be used as a pesticide.”

16. Section 12(a)(1)(A) of FIFRA, 7 U.S.C. § 136j(a)(1)(A), states that it is unlawful for a person to distribute or sell a pesticide that is not registered under Section 3(a) of FIFRA, 7 U.S.C. § 136a.

17. Section 2(gg) of FIFRA, 7 U.S.C. § 136(gg), defines the term “distribute or sell” to mean to distribute, sell, offer for sale, hold for distribution, hold for sale, hold for shipment, ship, deliver for shipment, release for shipment, or receive and (having so received) deliver or offer to deliver.

18. Section 2(p)(l) of FIFRA, 7 U.S.C. § 136(p)(l), defines a “label” as written, printed, or graphic matter on, or attached to, the pesticide or device or any of its containers or

wrappers.

19. Section 2(s) of FIFRA, 7 U.S.C. § 136(s), defines a “person” as any individual, partnership, association, corporation, or any organized group of persons whether incorporated or not.

20. Section 14(a)(1) of FIFRA, 7 U.S.C. § 136l(a)(1), provides that any registrant, commercial applicator, wholesaler, dealer, retailer or other distributor who violates any provision of FIFRA may be assessed a civil penalty by EPA of not more than \$5,000 for each offense. The Federal Civil Penalties Inflation Adjustment Act of 1990, as amended through 2015, 28 U.S.C. § 2461 *note*, and its implementing regulations at 40 C.F.R. Part 19, increased this amount to \$20,528 for each offense for which a penalty is assessed after December 23, 2020.

#### **Factual Allegations and Alleged Violations**

21. Respondent is, and was at all times relevant to this Complaint, a corporation, and therefore, a “person” as that term is defined at Section 2(s) of FIFRA, 7 U.S.C. § 136(s).

22. On September 1, 2020, Respondent’s customs broker filed a customs entry for a shipment containing antimicrobial products, Entry Number DSV-10514195 (the Shipment), that had arrived at the Port of Newark from the United Kingdom without an NOA.

23. EPA became aware of the Shipment on or about September 2, 2020.

24. The Shipment included 11,508 thirty-two-ounce bottles and 15,344 sixteen-ounce bottles, which the product labels indicated contained Saturix 70% isopropyl alcohol.

25. The labels also included claims for the product’s effectiveness against bacteria and fungi and indicated that it can be used on “cleanroom floors, walls, ceilings, and equipment externals.”

26. After placing a hold on the Shipment, EPA reviewed the entry documents and product label and determined that the products in the Shipment were pesticides, as that term is defined by Section 2(u) of FIFRA, 7 U.S.C. §136(u), and that the products had not been registered under FIFRA § 3(a), 7 U.S.C. § 136a(a).

27. On September 8, 2020, EPA issued two Notices of Detention and Hearing (“NODs”), one for each of the different size bottles, directing U.S. Customs and Border Protection to detain the products and advised Respondent of its opportunity to explain why the product should be allowed into the United States.

28. Respondent replied to the NODs on September 25, 2020, stating that the products were “cleaning products, and as such, the information on the product label including claims for the product’s effectiveness against bacteria and fungi was inaccurate.” Respondent further noted that it became aware of this issue with Respondent’s website prior to the Notice of Detention and Hearing and that, accordingly, Respondent had updated its website and all associated marketing, packaging, and labeling to “reflect the cleaning nature of the product.”

29. Respondent’s import of the bottles in the Shipment into the United States on or about September 1, 2020 constitutes activity to “distribute or sell,” as that term is defined in 2(gg) of FIFRA, 7 U.S.C. § 136(gg), the devices in the Shipment.

30. Respondent is a distributor within the meaning of Section 14(a)(1) of FIFRA, 7 U.S.C. § 136l(a)(1).

31. Respondent is an “importer” within the meaning of 19 C.F.R. § 12.112.

32. Respondent’s failures to file NOAs for the products in the Shipment prior to its arrival in the United States constitute unlawful acts as described by Section 12(a)(2)(N) of FIFRA, 7 U.S.C. § 136j(a)(2)(N).

33. Respondent's imports of the isopropyl alcohol bottles in the Shipment as labeled upon arrival constitute distributions or sales of unregistered pesticides and are unlawful acts as described by Section 12(a)(1)(A) of FIFRA, 7 U.S.C. § 136j(a)(1)(A).

34. Each of Respondent's unlawful acts, as alleged herein, is violation of FIFRA for which a penalty may be independently assessed under Section 14(a)(1), 7 U.S.C. § 136l(a)(1).

**Civil Penalty**

31. Pursuant to Section 14(a)(4) of FIFRA, 7 U.S.C. § 136l(a)(4), Complainant determined that an appropriate civil penalty to settle this action is \$13,952. In determining the penalty amount, Complainant considered the appropriateness of the penalty to the size of Respondent's business, the effect on Respondent's ability to continue in business, and the gravity of the violation. Complainant also considered EPA's Enforcement Response Policy for the Federal Insecticide, Fungicide, and Rodenticide Act, dated December 2009 (FIFRA ERP).

32. Respondent shall pay, either by certified check, electronically by Fedwire or by online payment, a civil penalty in the amount of **Thirteen Thousand, Nine Hundred, and Fifty-two Dollars (\$13,952)**.

33. The civil penalty of \$13,952 must be received by EPA *on or before* thirty (30) calendar days from the date on which the Regional Judicial Officer signs the Final Order located at the end of this CAFO (the “due date”). Failure to pay the full amount of the penalty, according to the

above provisions, will result in the referral of this matter to the United States Department of Justice and/or the United States Department of Treasury for collection and/or other appropriate action. The validity, amount and appropriateness of the civil penalty are not reviewable in a collection action.

34. Pursuant to 31 U.S.C. § 3717 and 40 C.F.R. § 13.11, EPA is entitled to assess interest, administrative costs and late payment penalties on outstanding debts owed to the United States, including the United States Environmental Protection Agency, and a charge to cover costs of processing and handling delinquent claims.

a. Interest: Any unpaid portion of a civil penalty must bear interest at the rate established by the Secretary of the Treasury pursuant to 31 U.S.C. § 3717(a)(1). Interest will therefore begin to accrue on any portion of the civil penalty not paid by the relevant Due Date(s) specified above. Forty C.F.R. § 13.11 (a)(1) provides for assessing the annual rate of interest that is equal to the rate of the current value of funds to the United States Treasury (*i.e.*, the Treasury tax and loan account rate) on installment payments, which is currently one percent (1%) per annum.

b. Handling Charges: Pursuant to 31 U.S.C. § 3717(e)(1), a monthly handling charge of fifteen dollars (\$15.00) shall be assessed for each thirty (30) day calendar period, or any portion thereof, following the date the payment was to have been made, in which payment of the amount remains in arrears.

c. Late Penalty Charge: A late penalty charge of six percent (6%) per year will be assessed monthly on any portion of the civil penalty that remains delinquent more than ninety (90) calendar days. 40 C.F.R. § 13.11(c). The late payment penalty on any portion of the civil penalty that remains delinquent more than ninety days shall accrue from the first day payment is delinquent. 31 C.F.R. § 901.9(d).

35. The civil penalty, including any payment(s) for interest or late payment and handling charges that come due, constitutes a penalty within the meaning of 26 U.S.C. § 162(f) and does not

constitute a deductible expenditure for purposes of federal or state law.

**General Provisions**

36. Respondent certifies that, to the best of its knowledge, it is currently in compliance with FIFRA, 7 U.S.C. §§ 136-136y, and its implementing regulations.

37. Respondent explicitly and knowingly consents to the assessment of the civil penalty as set forth in this Consent Agreement and agrees to pay the penalty in accordance with the terms of this Consent Agreement. Full payment of the penalty shall only resolve Respondent's liability for federal civil penalties for the violations described in Paragraphs 22-33, above. Full payment of this penalty shall not in any case affect the right of EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law.

38. This CAFO does not waive, extinguish, or otherwise affect Respondent's obligation to comply with all applicable federal, state, or local laws, rules, or regulations, nor shall it be construed to be a ruling on, or a determination of, any issue related to any federal, state or local permit. This CAFO does not waive, extinguish, or otherwise affect Respondent's obligation to comply with all applicable provisions of FIFRA and the regulations promulgated thereunder.

39. Compliance with the requirements and provisions of this CAFO shall not constitute a defense to any subsequent (*i.e.* following the filing of this document) action, suit or proceeding EPA (or the United States on behalf of EPA) may commence pursuant to any applicable federal statutory or regulatory provision for any violation(s) occurring after the date of the execution of the Final Order accompanying this Consent Agreement, or for any violation(s) of FIFRA statutory or regulatory requirements or prohibitions not alleged herein but that may have occurred prior to the date of the execution of the Final Order accompanying this Consent Agreement.

40. Respondent consents to the use of electronic signatures in this matter and to service

upon it of a copy of this Consent Agreement and Final Order by an EPA employee other than the Regional Hearing Clerk via electronic mail to the following addressee(s):

Chicago, Illinois, 60601

41. Delivery of the fully executed documents to the email addresses in this paragraph shall constitute Respondent's receipt and acceptance of the CAFO.

42. Any responses, documentation, and other communication submitted to EPA in connection with this Consent Agreement shall be sent by regular mail and email to:

Unless the above-named EPA contact is later advised otherwise by electronic mail, EPA shall address any written future correspondence (including any correspondence related to payment of the penalty in accordance with the provisions of this CAFO), to the addressee identified in the preceding paragraph.

43. Respondent has read the Consent Agreement, understands its terms, finds it to be reasonable, and consents to its issuance and its terms. Respondent agrees that this CAFO constitutes the entire agreement between the parties and all terms of settlement are set forth herein.

44. The terms of this CAFO bind Respondent, its successors, and assigns. Each person signing this agreement certifies that he or she has the authority to sign for the party whom he or she represents and to bind that party to its terms.
