CONSENT AGREEMENT AND  
FINAL ORDER

Docket No. FIFRA-02-2024-5062

**Consent Agreement**

1. This is an administrative action commenced and concluded under Section 14(a) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), 7 U.S.C. § 136l(a), and Sections 22.13(b) and 22.18(b)(2) and (3) of the *Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits* (CROP) as codified at 40 C.F.R. Part 22. Pursuant to Section 22.13(b) of the Consolidated Rules of Practice, where the parties agree to settlement of one or more causes of action before the filing of an administrative complaint, a proceeding may be simultaneously commenced and concluded by the issuance of a Consent Agreement and Final Order (“CAFO”) pursuant to 40 C.F.R. §§ 22.18(b)(2) and (3).

2. The Complainant is the Director of the Enforcement and Compliance Assurance Division, United States Environmental Protection Agency (EPA), Region 2.

3. Respondent is Arch Chemicals, Inc., a specialty chemical company, located at 412 Mt. Kemble Ave, Suite 200S, Morristown, NJ 07960.

4. The parties agree that settling this action without the filing of a Complaint or the adjudication of any issue of fact or law is in their interest and in the public interest.

5. Respondent consents to the assessment of the civil penalty specified in this CAFO and to

the terms of this CAFO.

**Jurisdiction and Waiver of Right to Hearing**

6. Respondent admits the jurisdictional allegations in this CAFO and neither admits nor denies the factual allegations in this CAFO.

7. Respondent waives its right to request a hearing as provided at 40 C.F.R. § 22.15(c), and any rights it may have to contest the allegations in this CAFO or to appeal this CAFO.

**Statutory and Regulatory Background**

8. Section 2(u)(1) of FIFRA, 7 U.S.C. § 136(u)(1) defines a “pesticide” as “any substance or mixture of substances intended for preventing, destroying, repelling, or mitigating any pest.”

9. Section 2(mm) of FIFRA, 7 U.S.C. § 136(mm), defines an “antimicrobial pesticide”, in part, as a pesticide intended to disinfect, sanitize, reduce, or mitigate growth or development of microbiological organisms.

10. Section 2(gg) of FIFRA, 7 U.S.C. § 136(gg), defines the term “distribute or sell” to mean to distribute, sell, offer for sale, hold for distribution, hold for sale, hold for shipment, ship, deliver for shipment, release for shipment, or receive and (having so received) deliver or offer to deliver.

11. The importation of pesticides into the United States is governed by Sections 17(c) and (e) of FIFRA, 7 U.S.C. §§ 136o(c) and 136o(e), and the regulations promulgated thereunder by the Secretary of the Treasury in consultation with the Administrator of the EPA (“Administrator”). These regulations are found at 19 C.F.R. Part 12.

12. Section 17(e) of FIFRA, 7 U.S.C. § 136o(e), and 19 C.F.R § 12.1(b) provide that the regulations for the importation of pesticides and devices are joint regulations enforceable by the cooperating agencies.

13. Nineteen C.F.R. § 12.115 states in pertinent part that if EPA so directs, a shipment of pesticides or devices will be detained by the port director pending an examination by the Administrator to determine whether the shipment complies with the requirements of the Act.

14. Nineteen C.F.R. § 12.112 states, in pertinent part, that an importer desiring to import pesticides or devices into the United States shall submit to the Administrator a Notice of Arrival (“NOA”) of Pesticides or Devices (EPA Form 3540-1) prior to the arrival of the shipment to the United States. See also Section 17(c) of FIFRA, 7 U.S.C. § 136o(c).

15. Section 3 of FIFRA, 7 U.S.C. § 136a, requires the registration of a pesticide in order that its distribution or sale be lawful.

16. Nineteen C.F.R. § 12.111 states that all imported pesticides are required to be registered under the provisions of Section 3 of FIFRA, 7 U.S.C. § 136a, and under the regulations promulgated thereunder by the Administrator before being permitted entry into the United States. These regulations are found at 40 C.F.R. Parts 152 and 156.

17. Forty C.F.R. § 152.15(a)(1) states that, “a substance is considered to be intended for a pesticidal purpose and thus to be a pesticide requiring registration, if the person who distributes or sells the substance claims, states, or implies (by labeling or otherwise) that the substance (either by itself or in combination with any other substance) can or should be used as a pesticide.”

18. Section 2(s) of FIFRA, 7 U.S.C. § 136(s), defines a “person” as any individual, partnership, association, corporation, or any organized group of persons whether incorporated or not.

19. Section 2(p)(l) of FIFRA, 7 U.S.C. § 136(p)(l), defines a “label” as written, printed, or graphic matter on, or attached to, the pesticide or device or any of its containers or wrappers.

20. Section 12(a)(l)(A) of FIFRA, 7 U.S.C. § 136j(a)(l)(A), states that it is unlawful for any

person to distribute or sell an unregistered pesticide.

21. Forty C.F.R. Part 156 sets out label requirements for pesticides and further defines misbranding. Forty C.F.R. § 156.10(a)(1) states that every pesticide product shall bear a label containing information specified by FIFRA and the regulations in this part, including is EPA product registration number.

22. Section 14(a)(1) of FIFRA, 7 U.S.C. § 136l(a)(1), provides that any registrant, commercial applicator, wholesaler, dealer, retailer, or other distributor who violates any provision of FIFRA may be assessed a civil penalty by EPA of not more than \$5,000 for each offense. The Federal Civil Penalties Inflation Adjustment Act of 1990, as amended through 2015, 28 U.S.C. § 2461 *note*, and its implementing regulations at 40 C.F.R. Part 19, increased this amount to \$21,805 for each offense for which a penalty is assessed where penalties were assessed on or after January 12, 2022, but before January 6, 2023.

### **Factual Allegations and Alleged Violations**

23. Respondent is, and was at all times relevant to this Complaint, a corporation, and therefore, a “person” as that term is defined at Section 2(s) of FIFRA, 7 U.S.C. § 136(s).

24. On November 23, 2022, EPA staff reviewed a NOA submitted electronically for Entry # H41-13066413, a shipment containing twenty-four (24) 45-gallon drums of Vanquish 100 Antimicrobial product (“Shipment 1”). The NOA identified Respondent as the “Importer” of the shipment.

25. On December 5, 2022, EPA staff reviewed a NOA submitted electronically for a shipment containing forty-eight (48) 45-gallon drums of Vanquish 100 Antimicrobial product (“Shipment 2”). The NOA identified Respondent as the “Importer” of the shipment.

26. After reviewing the entry forms and labels on the products in Shipments 1 and 2, EPA

staff determined that:

- a. The Vanquish 100 Antimicrobial products in Shipments 1 and 2 were pesticides;
- b. The Vanquish 100 Antimicrobial products in Shipments 1 and 2 bore labels displaying EPA Reg. No. 1258-1249, an invalid registration number; and
- c. The Vanquish 100 Antimicrobial products in Shipments 1 and 2 were therefore unregistered pesticides and ineligible for entry into the United States.

Notices of Detention for Shipments 1 and 2 were issued on December 5, 2022.

27. On December 7, 2022, Respondent informed EPA by email that another shipment containing twenty-four (24) 45-gallon drums of Vanquish 100 Antimicrobial product with the non-compliant label was enroute to the Port of New York (“Shipment 3”). Shipment 3 arrived in the United States on December 21, 2022 and was sent to a bonded warehouse on arrival.

28. Respondent is a distributor within the meaning of Section 14(a)(1) of FIFRA, 7 U.S.C. § 136l(a)(1).

29. Respondent is an “importer” within the meaning of 19 C.F.R. § 12.112.

30. Respondent’s imports of Vanquish 100 Antimicrobial product in the shipments as labeled upon arrival constitute distributions or sales of unregistered pesticides and are unlawful acts as described by Section 12(a)(1)(A) of FIFRA, 7 U.S.C. § 136j(a)(1)(A).

31. Each of Respondent’s unlawful acts, as alleged herein, is a violation of FIFRA for which a penalty may be independently assessed under Section 14(a)(1), 7 U.S.C. § 136l(a)(1).

#### **Civil Penalty**

31. Pursuant to Section 14(a)(4) of FIFRA, 7 U.S.C. § 136l(a)(4), Complainant determined that an appropriate civil penalty to settle this action is **\$28,788**. In determining the penalty amount, Complainant considered the appropriateness of the penalty to the size of Respondent's business, the

effect on Respondent's ability to continue in business, and the gravity of the violation. Complainant also considered EPA's Enforcement Response Policy for the Federal Insecticide, Fungicide, and Rodenticide Act, dated December 2009 (FIFRA ERP).

32. Respondent shall pay, either by certified check, electronically by Fedwire or by online payment, a civil penalty in the amount of **Twenty-Eight Thousand Seven Hundred and Eighty-Eight Dollars (\$28,788)**.

33. The civil penalty of **\$28,788** must be received by EPA *on or before* thirty (30) calendar days from the date on which the Regional Judicial Officer signs the Final Order located at the end of this CAFO (the “due date”). Failure to pay the full amount of the penalty, according to the above provisions, will result in the referral of this matter to the United States Department of Justice and/or the United States Department of Treasury for collection and/or other appropriate action. The validity, amount and appropriateness of the civil penalty are not reviewable in a collection action.

34. Pursuant to 31 U.S.C. § 3717 and 40 C.F.R. § 13.11, EPA is entitled to assess interest, administrative costs and late payment penalties on outstanding debts owed to the United States, including the United States Environmental Protection Agency, and a charge to cover costs of processing and handling delinquent claims.

a. Interest: Any unpaid portion of a civil penalty must bear interest at the rate established by the Secretary of the Treasury pursuant to 31 U.S.C. § 3717(a)(1). Interest will

therefore begin to accrue on any portion of the civil penalty not paid by the relevant Due Date(s) specified above. Forty C.F.R. § 13.11 (a)(1) provides for assessing the annual rate of interest that is equal to the rate of the current value of funds to the United States Treasury (*i.e.*, the Treasury tax and loan account rate).

b. Handling Charges: Pursuant to 31 U.S.C. § 3717(e)(1), a monthly handling charge of fifteen dollars (\$15.00) shall be assessed for each thirty (30) day calendar period, or any portion thereof, following the date the payment was to have been made, in which payment of the amount remains in arrears.

c. Late Penalty Charge: A late penalty charge of six percent (6%) per year will be assessed monthly on any portion of the civil penalty that remains delinquent more than ninety (90) calendar days. 40 C.F.R. § 13.11(c). The late payment penalty on any portion of the civil penalty that remains delinquent more than ninety days shall accrue from the first day payment is delinquent. 31 C.F.R. § 901.9(d).

35. The civil penalty, including any payment(s) for interest or late payment and handling charges that come due, constitutes a penalty within the meaning of 26 U.S.C. § 162(f) and does not constitute a deductible expenditure for purposes of federal or state law.

### **General Provisions**

36. Respondent certifies that, to the best of its knowledge, it is currently in compliance with FIFRA, 7 U.S.C. §§ 136-136y, and its implementing regulations.

37. Respondent explicitly and knowingly consents to the assessment of the civil penalty as set forth in this Consent Agreement and agrees to pay the penalty in accordance with the terms of this Consent Agreement. Full payment of the penalty shall only resolve Respondent's liability for federal civil penalties for the violations described in Paragraphs 30-31, above. Full payment of this penalty shall

not in any case affect the right of EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law.

38. This CAFO does not waive, extinguish, or otherwise affect Respondent's obligation to comply with all applicable federal, state, or local laws, rules, or regulations, nor shall it be construed to be a ruling on, or a determination of, any issue related to any federal, state, or local permit. This CAFO does not waive, extinguish, or otherwise affect Respondent's obligation to comply with all applicable provisions of FIFRA and the regulations promulgated thereunder.

39. Compliance with the requirements and provisions of this CAFO shall not constitute a defense to any subsequent (*i.e.* following the filing of this document) action, suit or proceeding EPA (or the United States on behalf of EPA) may commence pursuant to any applicable federal statutory or regulatory provision for any violation(s) occurring after the date of the execution of the Final Order accompanying this Consent Agreement, or for any violation(s) of FIFRA statutory or regulatory requirements or prohibitions not alleged herein but that may have occurred prior to the date of the execution of the Final Order accompanying this Consent Agreement.

41. Delivery of the fully executed documents to the email addresses in the above paragraph shall constitute Respondent's receipt and acceptance of the CAFO.

42. Any responses, documentation, and other communication submitted to EPA in connection

with this Consent Agreement shall be sent by email to:

Guy Burke  
Lead Paint & Pesticides Compliance Section  
Enforcement and Compliance Assurance Division

Unless the above-named EPA contact is later advised otherwise by email, EPA shall address any written future correspondence (including any correspondence related to payment of the penalty in accordance with the provisions of this CAFO), to Respondent's addressee identified in the preceding paragraph.

43. Respondent has read the Consent Agreement, understands its terms, finds it to be reasonable, and consents to its issuance and its terms. Respondent agrees that this CAFO constitutes the entire agreement between the parties and all terms of settlement are set forth herein.
