Docket No. TSCA-07-2016-0022

Respondent

CONSENT AGREEMENT AND FINAL ORDER

The U.S. Environmental Protection Agency (EPA), Region 7 and Complete Xterior (Respondent) have agreed to a settlement of this action before filing of a Complaint, and thus this action is simultaneously commenced and concluded pursuant to Rules 22.13(b) and 22.18(b)(2) of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, and the Revocation Termination or Suspension of Permits (Consolidated Rules), 40 C.F.R. §§ 22.13(b) and 22.18(b)(2).

Section I

Jurisdiction

1. This proceeding is an administrative action for the assessment of civil penalties instituted pursuant to Section 16(a) of the Toxic Substances Control Act (TSCA), 15 U.S.C. § 2615(a).
2. This Consent Agreement and Final Order serves as notice that EPA has reason to believe that Respondent has violated Section 409 of TSCA, 15 U.S.C. § 2689, by failing to

comply with the regulatory requirements of 40 C.F.R. Part 745, Subpart E, *Lead-Based Paint Renovation, Repair and Painting Rule*, (RRP Rule) promulgated pursuant to 15 U.S.C. §§ 2682, 2686 and 2687.

Section II

Parties

3. The Complainant, by delegation from the Administrator of EPA and the Regional Administrator, EPA, Region 7, is the Chief, Toxics and Pesticide Branch, EPA, Region 7.

4. The Respondent is Complete Xterior, a company doing business under the laws of the state of Nebraska.

Section III

Statutory and Regulatory Background

5. Congress passed the Residential Lead-Based Paint Hazard Reduction Act of 1992 (the Act), 42 U.S.C. §§ 4851 to 4856, to address the need to control exposure to lead-based paint hazards. The Act amended TSCA by adding Sections 401 to 412, 15 U.S.C. §§ 2681 to 2692.

6. On June 1, 1998, EPA promulgated information distribution and record keeping requirements codified at 40 C.F.R. Part 745, Subpart E, *Requirements for Hazard Education Before Renovation of Target Housing* (Pre-Renovation Education Rule or PRE Rule) pursuant to 15 U.S.C. § 2686. On April 22, 2008, EPA amended and re-codified the PRE Rule information distribution and recordkeeping requirements and promulgated additional regulations at 40 C.F.R. Part 745, Subpart E, *Lead-Based Paint Renovation, Repair and Painting Rule* (RRP Rule) pursuant to 15 U.S.C. §§ 2682, 2686 and 2687. The regulations aimed to protect the public from lead-based paint hazards associated with renovation, repair, and painting activities. Under the RRP Rule each person or firm who performs for compensation a renovation of target housing or

a child-occupied facility must be trained and certified by an EPA accredited training provider to conduct renovation, remodeling and/or painting activities. Firms and individuals performing renovation, repair, and painting projects for compensation that disturb lead-based paint must use certified renovators who follow specific work practices to prevent lead contamination. Prior to the start of renovation, the firm or individual performing the renovation must provide the owners and occupants of the target housing units subject to regulated renovation, repair, and/or painting a copy of the U.S. Environmental Protection Agency-approved *Renovate Right: Important Lead Hazard Information for Families, Child Care Providers and Schools* pamphlet, and maintain written acknowledgment that the pamphlet has been provided.

7. Section 402 of TSCA, 15 U.S.C. § 2682, requires that the Administrator of EPA promulgate regulations regarding the activities of individuals and contractors engaged in lead-based paint activities, including renovation of residences built prior to 1978, and regulations for the certification of such individuals and contractors.

8. EPA promulgated regulations regarding lead-based paint activities, including renovation of residences built prior to 1978, and regulations for the certification of individuals and firms who are involved in these activities. These regulations are found within 40 C.F.R. Part 745, Subpart E.

9. Section 406 of TSCA, 15 U.S.C. § 2686, requires that the Administrator of EPA promulgate regulations to require each person who performs for compensation a renovation of target housing to provide a lead hazard information pamphlet to the owner and occupant of such housing prior to commencing the renovation.

10. EPA promulgated regulations requiring each person who performs for compensation a renovation of target housing to provide a lead hazard information pamphlet to

the owner and occupant of such housing prior to commencing the renovation. These regulations are found within 40 C.F.R. Part 745, Subpart E.

11. The term *target housing* means any housing constructed prior to 1978, except housing for the elderly or persons with disabilities (unless any child who is less than six (6) years of age resides or is expected to reside in such housing) or any zero-bedroom dwelling per 15 U.S.C. § 2681(17).

12. The term *renovation* means the modification of any existing structure, or portion thereof, that results in the disturbance of painted surfaces, unless that activity is performed as part of an abatement as defined by this part (40 C.F.R. § 745.223). The term renovation includes, but is not limited to, the following: the removal, modification or repair of painted surfaces or painted components (e.g., modification of painted doors, surface restoration, window repair, surface preparation activity (such as sanding, scraping, or other such activities that may generate paint dust)); the removal of building components (e.g., walls, ceilings, plumbing, windows); weatherization projects (e.g., cutting holes in painted surfaces to install blown-in insulation or to gain access to attics, planing thresholds to install weather stripping), and interim controls that disturb painted surfaces per 40 C.F.R. § 745.83.

13. The term *firm* means a company, partnership, corporation, sole proprietorship or individual doing business, association, or other business entity; a Federal, State Tribal, or local government agency; or a nonprofit organization per 40 C.F.R. § 745.83.

14. The term *person* means any natural or judicial person including any individual, corporation, partnership, or association; any Indian Tribe, State, or political subdivision thereof; any interstate body; and any department, agency, or instrumentality of the Federal Government per 40 C.F.R. § 745.83.

15. 40 C.F.R. § 745.81(a)(2)(ii) states that on or after April 22, 2010, no firm may perform, offer, or claim to perform renovations without certification from EPA under §745.89 in target housing or child-occupied facilities, unless the renovation qualifies for one of the exceptions identified in §745.82.

16. 40 C.F.R. § 745.89(a)(1) states that firms that perform renovations for compensation must apply to EPA for certification to perform renovations or dust sampling.

17. The “Work Practice Standards” that must be followed by firms performing renovations on target housing are set forth at 40 C.F.R. § 745.85. The Work Practice Standards include, but are not limited to:

a. Pursuant to 40 C.F.R. § 745.85(a)(1), firms must post signs clearly defining the work area and warning occupants and other persons not involved in renovation activities to remain outside of the work area. To the extent practicable, these signs must be in the primary language of the occupants. These signs must be posted before beginning the renovation and must remain in place and readable until the renovation and the post-renovation cleaning verification have been completed;

b. Pursuant to 40 C.F.R. §745.85(a)(2)(i)(A), firms must remove all objects from the work area, including furniture, rugs, and window coverings, or cover them with plastic sheeting or other impermeable material with all seams and edges taped or otherwise sealed; and

c. Pursuant to 40 C.F.R. § 745.85(a)(2)(i)(C), firms performing renovations must close windows and doors in the work area. Doors must be covered with plastic sheeting or other impermeable material. Doors used as an

entrance to the work area must be covered with plastic sheeting or other impermeable material in a manner that allows workers to pass through while confining dust and debris to the work area.

18. Failure to comply with any provision of 40 C.F.R. Part 745, Subpart E (RRP Rule) violates Section 409 of TSCA, 15 U.S.C. § 2689, which may subject the violator to administrative penalties under Section 16(a) of TSCA, 15 U.S.C. § 2615(a) and 40 C.F.R. § 745.87(d).

19. Section 16(a) of TSCA, 42 U.S.C. § 2615, and 40 C.F.R. § 745.87(d), authorize the EPA Administrator to assess a civil penalty of up to \$25,000 for each violation of Section 409 of TSCA. Each day that such a violation continues constitutes a separate violation of Section 15 of TSCA, 15 U.S.C. § 2614. The Debt Collection Improvement Act of 1996, 31 U.S.C. § 3701, and its implementing regulations at 40 C.F.R. Part 19, increased these statutory maximum penalties to \$37,500 for violations that occurred after January 12, 2009.

Section IV

General Factual Allegations

20. Respondent is, and at all times referred to herein was, a “firm” and a “person” within the meaning of TSCA.

21. Respondent is a business that was performing renovation, repair, and painting work on target housing.

22. On June 30, 2015, pursuant to its authority under Section 11 of TSCA, 15 U.S.C. § 2610, a representative of the United States Environmental Protection Agency, Region 7 conducted a work site inspection at 111 South 39th Street, Apt. 7 in Omaha, Nebraska. The

inspection indicated that Respondent had conducted “renovations”, as defined by 40 C.F.R. § 745.83, for this location (hereinafter, “the Property”).

23. The Property was constructed before 1978.

24. The Property is “target housing” as defined by 40 C.F.R. § 745.103.

25. At the time of the EPA inspection, the EPA representative observed that, in the course of its renovation of the Property, Respondent failed to comply with some of the requirements of 40 C.F.R. § 745.

Violations

26. The Complainant hereby states and alleges that Respondent has violated TSCA and federal regulations promulgated thereunder, as follows:

Count 1

27. The facts stated in Paragraphs 20 through 25 above are herein incorporated.

28. At the time of the EPA inspection it was discovered that Respondent failed to comply with 40 C.F.R. § 745.89(a)(1) and § 745.81(a)(2)(ii) by failing to obtain initial firm certification from EPA.

29. Respondent’s failure to perform the act described above is a violation of Section 409 of TSCA, 15 U.S.C. § 2689, and thus Respondent is subject to civil penalties under Section 16 of TSCA, 15 U.S.C. § 2615.

Count 2

30. The facts stated in Paragraphs 20 through 25 above are herein incorporated.

31. At the time of the EPA inspection it was discovered that Respondent failed to comply with 40 C.F.R. § 745.85(a)(1) by failing to post signs clearly defining the work area and warning occupants and other persons not involved in renovation activities to remain outside of

the work area.

32. Respondent's failure to perform the act described above is a violation of Section 409 of TSCA, 15 U.S.C. § 2689, and thus Respondent is subject to civil penalties under Section 16 of TSCA, 15 U.S.C. § 2615.

Count 3

33. The facts stated in Paragraphs 20 through 25 above are herein incorporated.

34. At the time of the EPA inspection it was discovered that Respondent failed to comply with 40 C.F.R. § 745.85(a)(2)(i)(A) by failing to remove all objects from the work area, including furniture, rugs, and window coverings, or cover them with plastic sheeting or other impermeable material with all seams and edges taped or otherwise sealed.

35. Respondent's failure to perform the act described above is a violation of Section 409 of TSCA, 15 U.S.C. § 2689, and thus Respondent is subject to civil penalties under Section 16 of TSCA, 15 U.S.C. § 2615.

Count 4

36. The facts stated in Paragraphs 20 through 25 above are herein incorporated.

37. At the time of the EPA inspection it was discovered that Respondent failed to comply with 40 C.F.R. § 745.85(a)(2)(i)(C) by failing to close windows and doors in the work area. Doors must be covered with plastic sheeting or other impermeable material. Doors used as an entrance to the work area must be covered with plastic sheeting or other impermeable material in a manner that allows workers to pass through while confining dust and debris to the work area.

38. Respondent's failure to perform the act described above is a violation of Section 409 of TSCA, 15 U.S.C. § 2689, and thus Respondent is subject to civil penalties under Section 16 of TSCA, 15 U.S.C. § 2615.

Section V

Consent Agreement

39. For purposes of this proceeding, Respondent admits the jurisdictional allegation set forth above.
40. Respondent neither admits nor denies the factual allegations set forth above.
41. Respondent waives its right to contest any issue of fact or law set forth above and its right to appeal the Final Order accompanying this Consent Agreement.
42. Respondent and EPA agree to conciliate this matter without the necessity of a formal hearing and to bear their respective costs and attorney's fees.
43. Respondent certifies by the signing of this Consent Agreement and Final Order that it is presently in compliance with all requirements of 40 C.F.R. Part 745, Subpart E.
44. Respondent consents to the issuance of the Final Order and hereinafter recited and consents to the payment of a civil penalty as specified in the Final Order.
45. The effect of settlement described in Paragraph 46 below is conditioned upon the accuracy of Respondent's representations to EPA, as memorialized in Paragraph 43 of this Consent Agreement and Final Order.
46. Payment of this civil penalty in full shall resolve all civil and administrative claims for all violations of Section 409 of TSCA, 15 U.S.C. 2689 and 40 C.F.R. Subpart E alleged in this document.
47. Respondent understands that his failure to timely pay any portion of the civil penalty described in Paragraph 1 of the Final Order below may result in the commencement of a civil action in Federal District Court to recover the full remaining balance, along with penalties and accumulated interest. In such case, interest shall accrue thereon at the applicable statutory

rate on the unpaid balance until such civil or stipulated penalty and any accrued interest are paid in full. A late payment handling charge of \$15 will be imposed after thirty (30) days and an additional \$15 will be charged for each subsequent thirty (30) day period. Additionally, as provided by 31 U.S.C. § 3717(e)(2), a six percent (6%) per annum penalty (late charge) may be assessed on any amount not paid within ninety (90) days of the due date.

Section VI
